Dear Elaine,
Lots of luck and stuff to the sweetest girl
at L.H.S. Remember the time I drove
Lonnie's car, and all the stuff came off. Hope
you have fun this summer.

Kathy C. Gold

Dear Elaine,
I can remember back when you had those beautiful "5" long hair. I
suppose those are fighting words, but I certainly envied you; then the
girls cut them off. I don't think I shall ever forgive you. But then, you
look sort of cute just like you are. (Pardon the sweet words, but I've
got to fill this page up somehow.) I hope I'll have a chance to teach you
how to play golf this summer, maybe even have another slumber party.
Gee, maybe you couldn't take another one. Or maybe I should have
a little side entertainment from a few of my brother's new companions.
I wish I'd have known you the first 3 yrs at school as I did
this year, you really fascinate me. Especially that certain style you
have when your feeling on top of the world. Oh mama! By the way, how
is little senior. I forgot this book is open to the public.
Although our Hooper team didn't win many games, it sure was fun. I
guess if our Anastasia Club stays in existence I'll be able to keep good
track of you. I guess if Dorene moves to Menominee I'll get to see
you a little more often. Maybe even catch you down there watching the
stars. Ahem.
What I actually want to do is wish you all the very best of God's
blessings, that he may guide you into a very happy future.
Wherever you go, whatever you do,
May all your hopes & dreams come true.

WISCONSIN'S
WILD LIFE

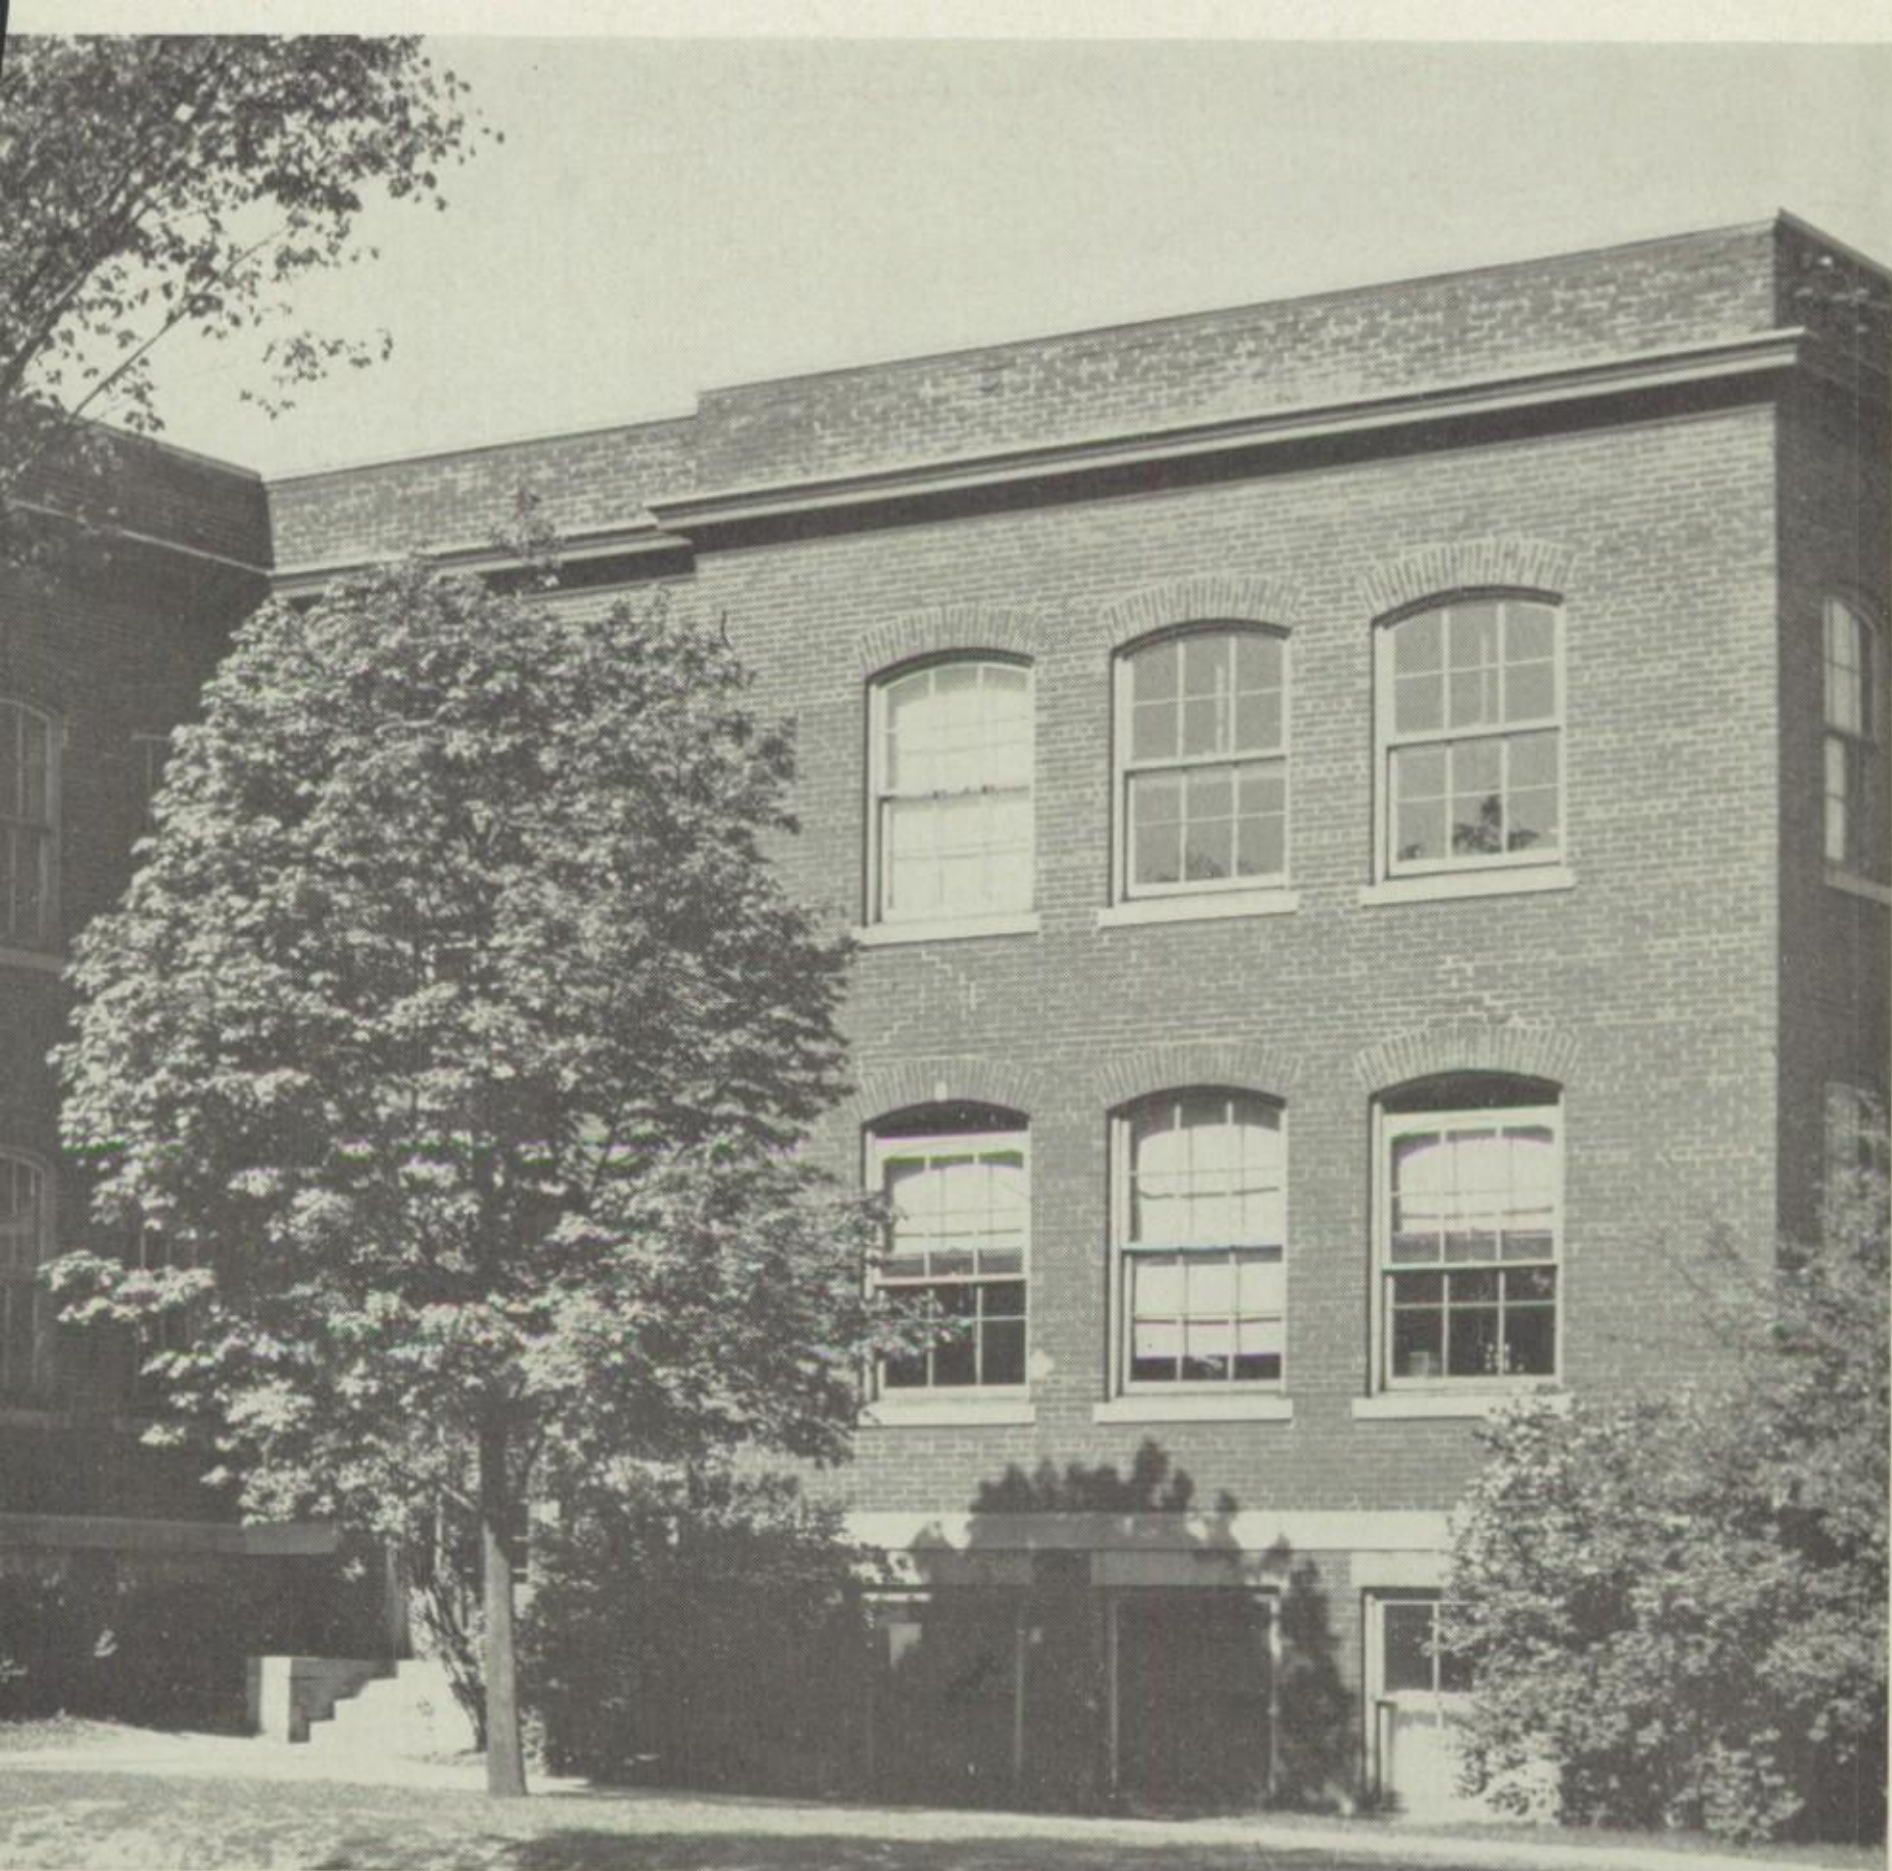

Published by
THE SENIOR CLASS OF
LUTHERAN HIGH SCHOOL
Milwaukee • Wisconsin

FOREWORD . . .

The state of Wisconsin is truly one of the most beautiful vacation spots in America, and we have constantly seen God's majesty in all of the life around us.

As things in nature must learn to confront difficulties, so we, the graduating class of 1950, must learn to overcome the problems which confront

us in our journey through life. We have been prepared for that journey by the faculty, who have instructed us according to God's Word. Our roots have been nourished at L.H.S., and we pray that, as we leave, the light of God's Word may draw us upward, even as the sun draws the plants in nature upward.

DEDICATION

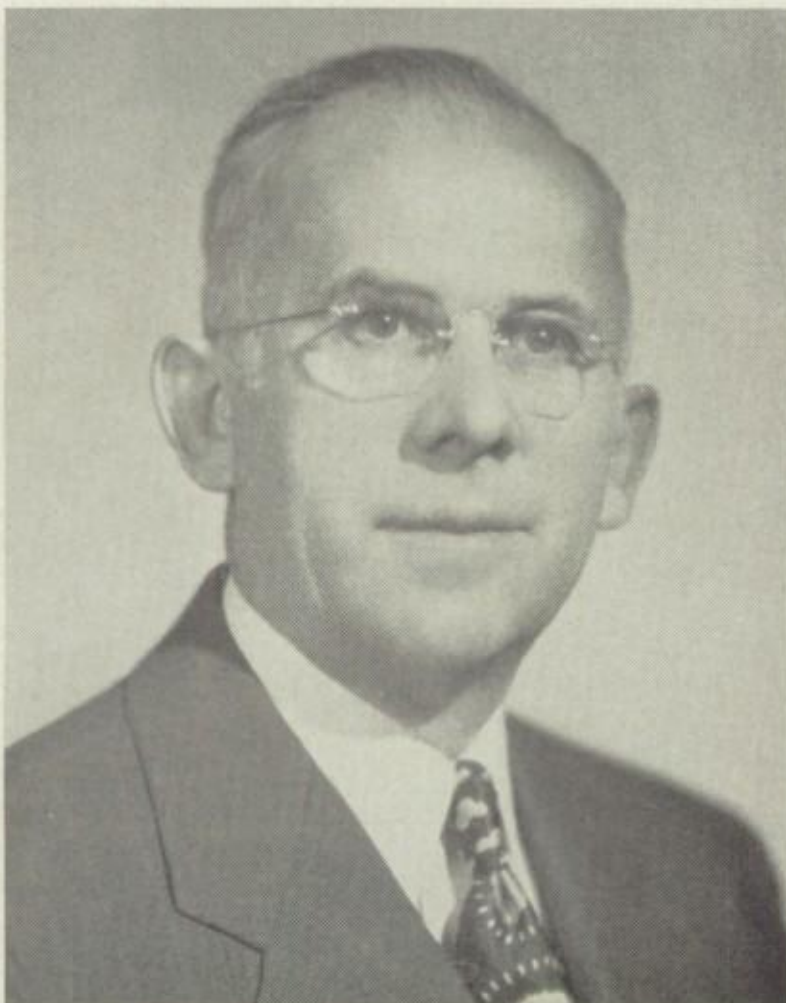

To Mr. Erich (Pat) Falk, we, the graduating class of 1950, dedicate this yearbook. Pat, a lover of the great out-of-doors, with which Wisconsin has been so abundantly blessed, has been our athletic director here at L.H.S. for the past twenty-three years. As our football, basketball, and baseball coach, he has certainly done an excellent job. We join with the entire student body in expressing our gratitude to Pat for his guidance in the athletic department, and hope that he will continue to serve our Lutheran High for many years to come.

Principal

The student body of Lutheran High School, and especially the 1950 graduating class, wish to extend to Mr. E. F. Eggold, our new principal, a hearty and sincere welcome.

We pray that with God's guidance and blessing, Lutheran High School may flourish, prosper, and grow under your leadership. As we leave L.H.S. to go out into the world on our own, we leave with you our sincere wish for your happiness and continued success in your work here at our Milwaukee Lutheran High School.

Vice-Principal

The position of vice-principal of Lutheran High is filled by Mr. R. G. Ernst. He is also registrar and head of the guidance department. In his hands rests the planning of all the schedules and the welfare of all the students at Lutheran High. This position is one that requires a very capable man. We pray that God may continue to guide Mr. Ernst in his work at L.H.S.

Back to camera: Rev. W. C. Meyer, Board Chairman (Immanuel). *Clockwise:* E. F. Eggold, Principal; R. G. Ernst, Vice-Principal. House Committee: A. B. Rowold (Holy Ghost); G. O. Grunwald (Cross); F. Callies (Emmaus). Finance Committee (continuing clockwise): A. C. Haack (St. Peter's); G. W. Sampe, Board Treasurer (Jerusalem); R. Eggebrecht (St. Matthew's); O. Zimdahl (Emmaus); E. G. Feustel (Zion).

At desk: E. F. Eggold, Principal. Visiting Committee, *front row:* M. Rauschke (St. Lucas); W. G. Homeier (Gospel); Rev. V. Brohm, Board Vice-Chairman (Bethesda); Rev. O. W. Schaefer, Board Secretary (Zion); Rev. E. C. Pankow (Garden Homes). *Back row:* K. Wedel (Mt. Calvary); Rev. W. C. Meyer (Immanuel); A. Meyer (St. Peter's).

Board of Directors

The maintenance of Lutheran High and the welfare of our students and faculty are placed in the hands of the Board of Directors. This Board meets once a month, at which time they discuss many of the school's problems. The Directors are divided into numerous committees. Among these are the Visiting Committee, the Athletic Committee, the House Committee, the Finance Committee, the Building Committee, and the Expansion Committee.

The Visiting Committee

The Visiting Committee visits every instructor's class once a semester and meets with the Administration to discuss the management of our school. They also approve changes in our curriculum.

The Athletic Committee

Some of the Athletic Committee's duties are to approve the scheduling of games, to promote ticket sales, to secure a gym and an athletic field, and to set up the annual budget for the athletic department.

The House Committee

The House Committee has the duty of providing space and proper equipment

for our school. The committee also makes an annual inspection of the properties to determine necessary repairs and improvements.

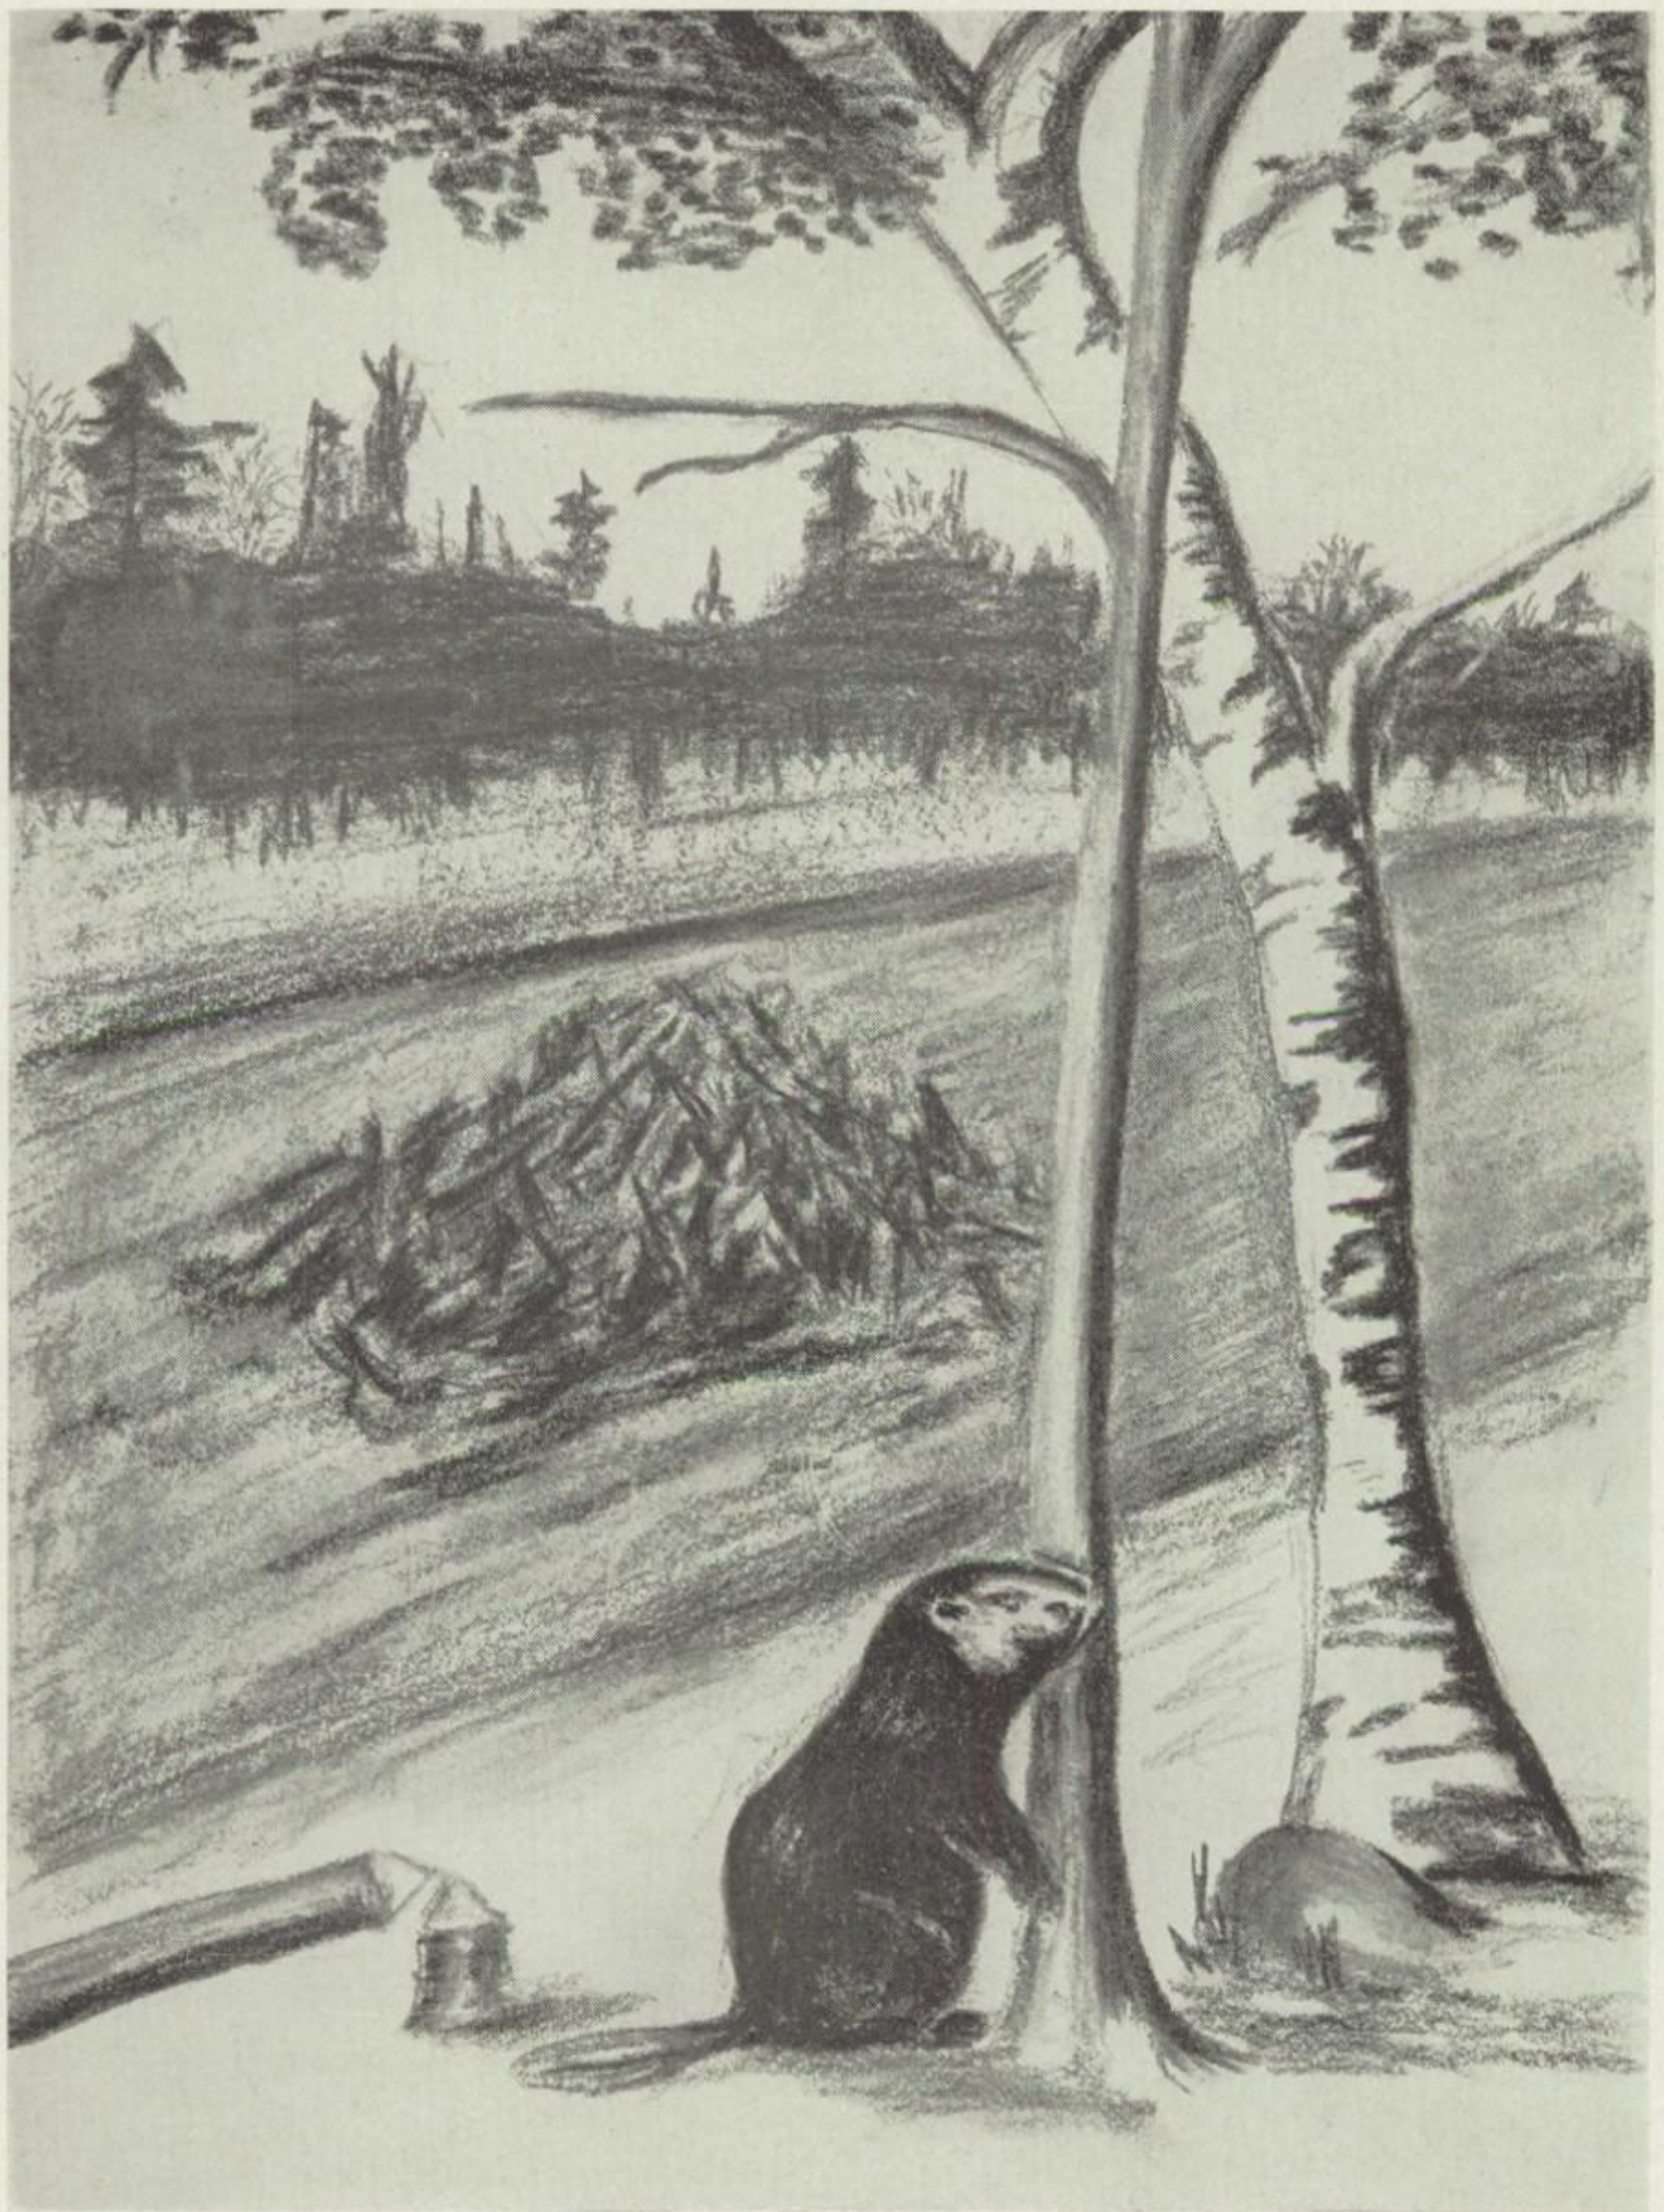

The Finance Committee

Money problems are handled by the Finance Committee, which prepares and submits an annual budget of estimated income and expenses for the operation of the school.

Few of us, perhaps, realize the importance of the Board of Directors in having Lutheran High School continue to function smoothly.

Clockwise: E. F. Eggold, Principal. Athletic Committee: T. Rosenberg (Jerusalem); A. Meyer (St. Peter's); Rev. W. C. Meyer, Board Chairman (Immanuel); A. Seideman (Atonement); F. Nehrig (St. Matthew's).

BEAVERS' BUSINESS

We begin a typical day at Lutheran High with devotion, held in the main study hall and being conducted above by our principal, Mr. E. F. Eggold.

In the freshman study of "The Life of Christ," Mr. Bartell watches Robert Messer as he points to Nazareth, Christ's boyhood town.

**a lamp unto our feet,
a light unto our path**
the Bible

Our religion is the light by which we live, and for this reason it is the most important subject in our school curriculum. It is taught us in all four years at L.H.S. It presents to our students a well-planned course for their future, teaching them to rely on God as their Guide and Helper.

To prepare us for our day's work, we have our morning devotions conducted by our principal or some member of the faculty. These daily devotions are our church services for the day, giving us a solid foundation on which to base our studies and by which to guide our lives.

**madness, yet there
is method in't**

Shakespeare

A gerund or not a gerund? This and many other maddening grammatical problems are settled in the four years of English required at L.H.S. Besides grammar, a study of literature is also included. The purpose of English is to help us better to express our ideas and also to understand those of others. For those who go on to college this purpose is tested by a research paper in which all the skills taught in English are used.

**. . . the past, and
judging by the past**

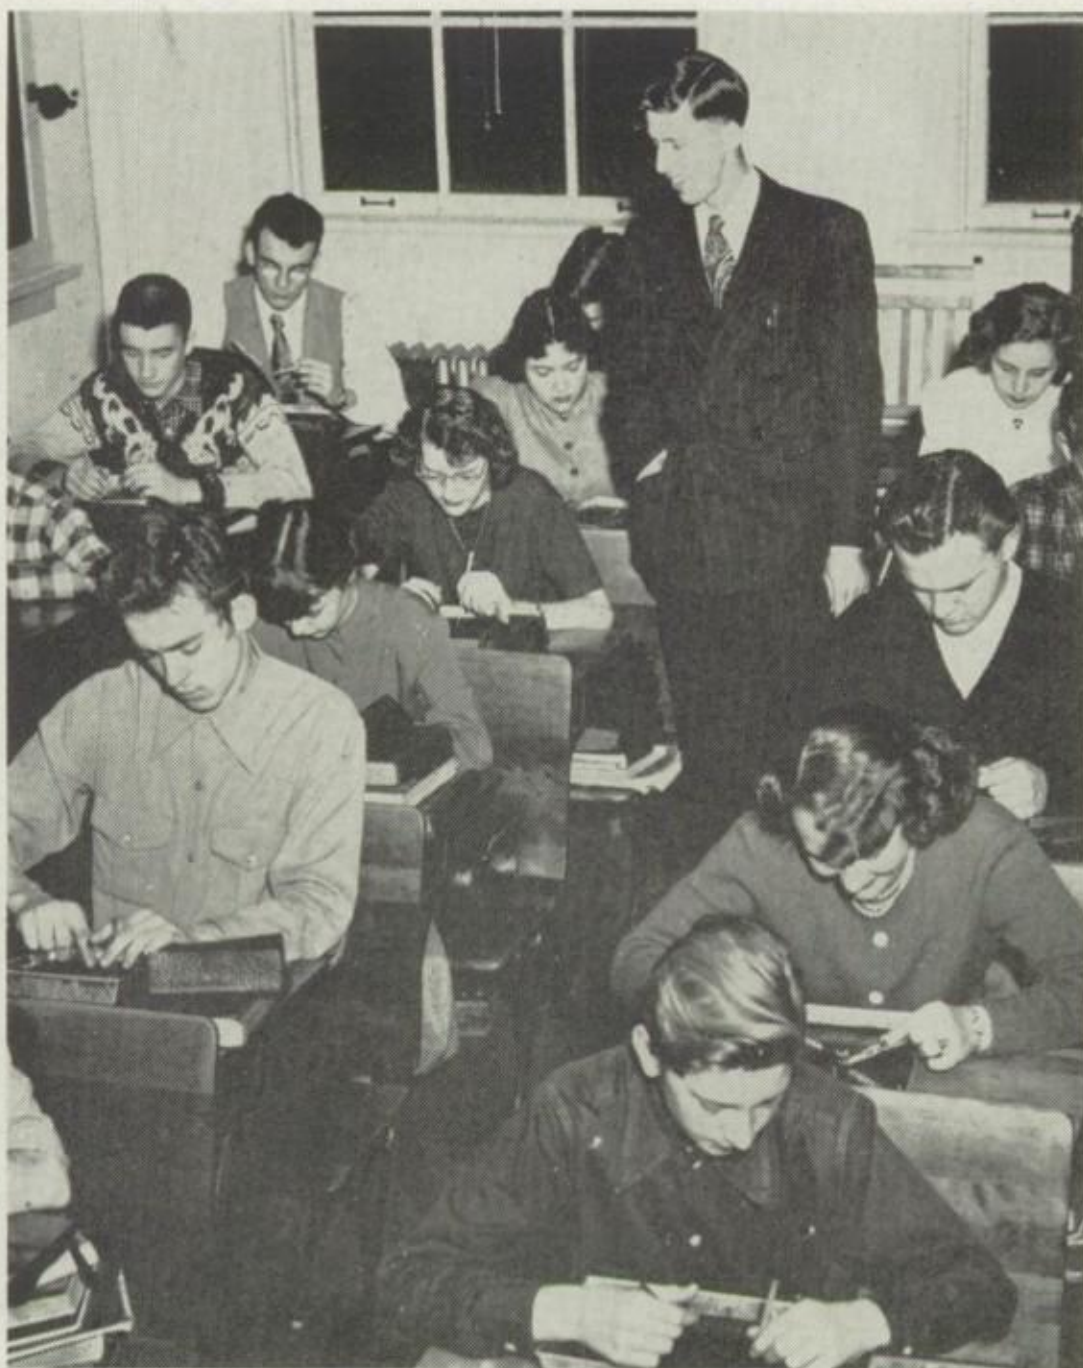

Patrick Henry

It has been said that history repeats itself. Therefore, by studying history we will be more able to foresee what is to come. We are also shown how God with His almighty protective hand guides the destinies of all nations. At L.H.S., history is divided into three required courses. In our sophomore year we study ancient and medieval history. In our junior year we study modern history; and in our senior year, American history. We hope that with this background we can go out into the world with a greater understanding of the problems we shall face.

Above: Mr. Keibel hands back a literature test on the Elizabethan Period of England to one division of senior English.

Below: In a modern history class of Mr. Kelling's, Beverly Schultz gives a report on the life of W. E. Gladstone.

Mr. Rock's biology students pick up scalpels, tweezers, and mounted needles as they get ready to do some dissecting.

information, animal, vegetable, mineral

Gilbert and Sullivan

General science and biology provide a source of information about the world in which we live. General science is a required course for the freshmen. Here the student is taught the fundamental principles of our universe. In biology, an optional course, he is taught the anatomy of man and animals, and the make-up of various forms of plant life.

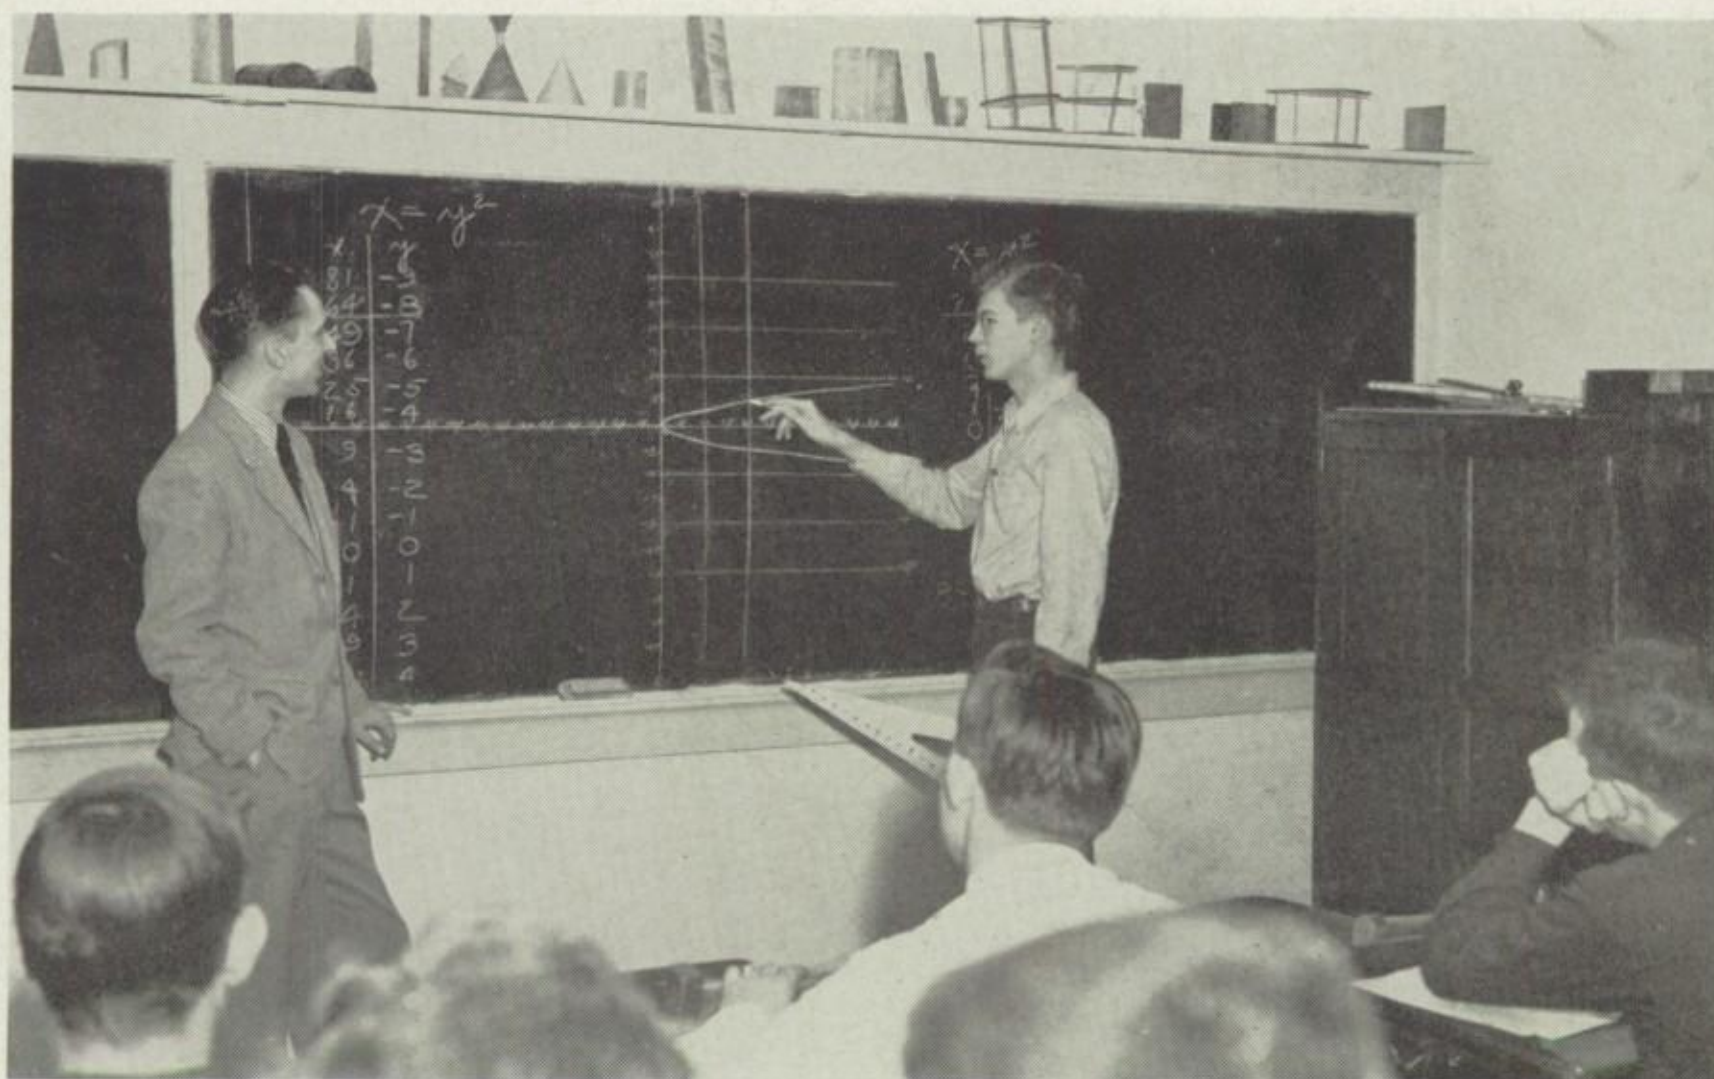

in erg and atom they exact their pay

David McCord

When you hear someone around school reciting $2\text{NaOH} + \text{H}_2\text{SO}_4 \rightarrow \text{Na}_2\text{SO}_4 + 2\text{H}_2\text{O}$ over and over, you know he must be taking chemistry. For the more ambitious of our students, we offer the chemistry and physics classes. During laboratory periods, they work with chemicals and different experimental devices.

Janet Lemke, Marvin Fleischfresser, and Ralph Ottow watch Mr. Stoll perform an experiment in physics about the expansion of metals.

As Mr. Kowert looks on in an algebra III and IV class, Charles Schumacher indicates an x,y point on the parabola of the equation $x = y^2$.

Eugene Baehring and Theodore Raske draw plans of block forms in the mechanical drawing class held at the Lutheran Center.

days and nights spent in calculation

Johannes Kepler

"How do you find the unknown X ?" is the question often asked by the algebra, geometry, and trig student. Those taking business math and book-keeping might ask, "How do you find the interest?" By studying math, the student learns to solve practical problems and, so we are told, increases his reasoning ability.

architecture . . . an art for all men

John Ruskin

On Thursday evenings at the Lutheran Center, we see future architects, draftsmen, and engineers. Here they sit surrounded by T squares, triangles, and compasses, figuring and drawing.

Commercial students combine the subjects of typing and shorthand as they transcribe shorthand notes at the typewriters.

**now is the time
for all good men . . .**

On the second floor of our building we see the future typists. In the typing classes, boys and girls alike learn to type with a speed and accuracy needed to obtain and hold their future business positions. The other part of our commercial course is the comparatively quiet class of shorthand. Here the students take dictation in order to increase their speed and skill needed to become efficient stenographers. These subjects also help those students who will attend college.

to inform you that under separate cover

Perhaps the most practical of the subjects is office practice. The setting here is the same as in a real business office. In this course girls learn the correct conduct required in an office. The mimeograph machine, the adding machine, and the typewriters all help to increase the girls' knowledge of the type of work they have chosen to do after graduation. To become adept in the use of these machines is the important aim of the girls.

Rayona Kaiser and Dorothy Benz are two of the girls taking office practice who get firsthand experience with dictaphones.

to love the game beyond the prize

Sir Henry Newbolt

Physical education has a dual purpose; to develop healthy bodies, and to develop sportsmanship. Both girls and boys are given the chance to take gym. Because of limited facilities, gym is required only for the boys and for the freshman girls. Two periods are allotted so that the students will have time to go to and come from gym. This class for many is merely a diversion from school, while for others it is a chance to let off some of their excess energy stored up during classes.

Above: To get that ball and make a goal is what these girls are aiming for as they play "Goal High" in their gym class.
Below: 1-2-3-4. Up, down, up, down. It rings in the ears of these boys as they participate in one of the calisthenic gym classes.

Cut, baste, try on, and sew. That is the routine of these young seamstresses under the direction of Miss Mueller.

a stitch in time saves nine

Benj. Franklin

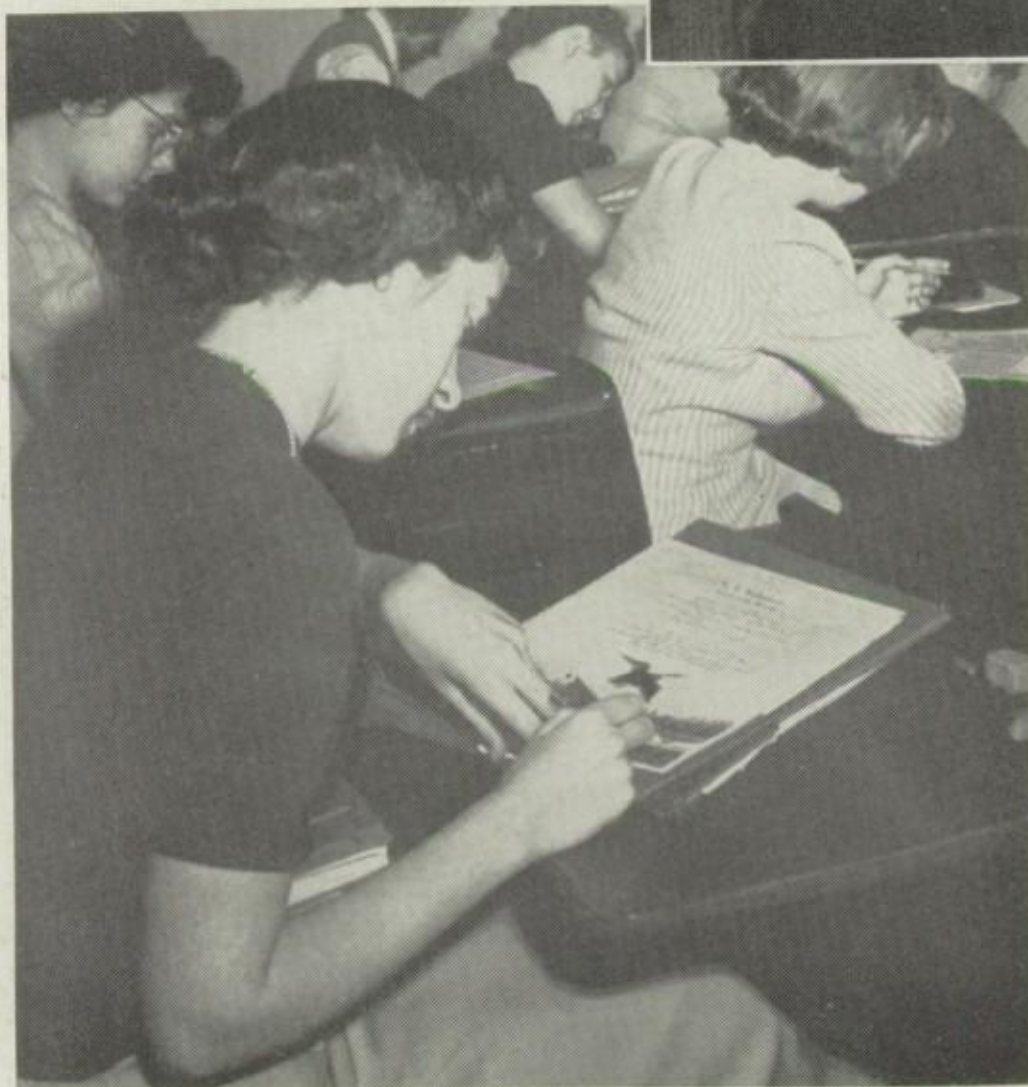

Sewing seems to be very popular among the girls at L.H.S. Almost every girl has taken sewing at some time or other during her four years here. Not only do the girls make their own clothes, but also model the clothes they have made. These girls present a style show annually for the Ladies' Guild and again at Open House in the spring.

they . . . began to speak
with other tongues

the Bible

In addition to English, courses in Latin, Spanish, and German are also taught at Lutheran High. Almost every student during his four years has at some time carried a German, Latin, or Spanish book. German is, perhaps, the most well-known foreign language because of the students' largely German ancestry. Latin and Spanish are gradually becoming more popular. This is most likely due to the closer association the United States has had with South America in recent years.

Below: Mary Niedfeldt illustrates her interpretation of a poem in art class.

Above: Mr. Ruege explains a Roman aqueduct's structure to a Latin I class.

a thing of beauty
is a joy forever

Keats

The fine murals for the background in devotion were made by our newest addition to the curriculum, the art class. The theme for the art class is "Everything needful" — as we see by their many beautiful paintings. It is very gratifying to see the interest aroused in many of our students for this class, which is primarily a period of orientation.

society waits uniform'd

Walt Whitman

Economics, sociology, civics, citizenship, and geography, being one semester subjects, cannot give us in detail everything we should know about these subjects. They do, however, give us the fundamentals necessary for building good citizenship. Each subject supplies us with some knowledge of our country, the people of our country, and of learning how to get along in the world with people and existing conditions. Discussions aid in the study of these subjects.

Above: Mr. Mazak shows this economics class what to look for in detecting counterfeit money.

Above: Mr. Haeger and world geography students study polar maps of the earth.

Left: In a civics class Richard Lutz points to a chart about the democracy of America.

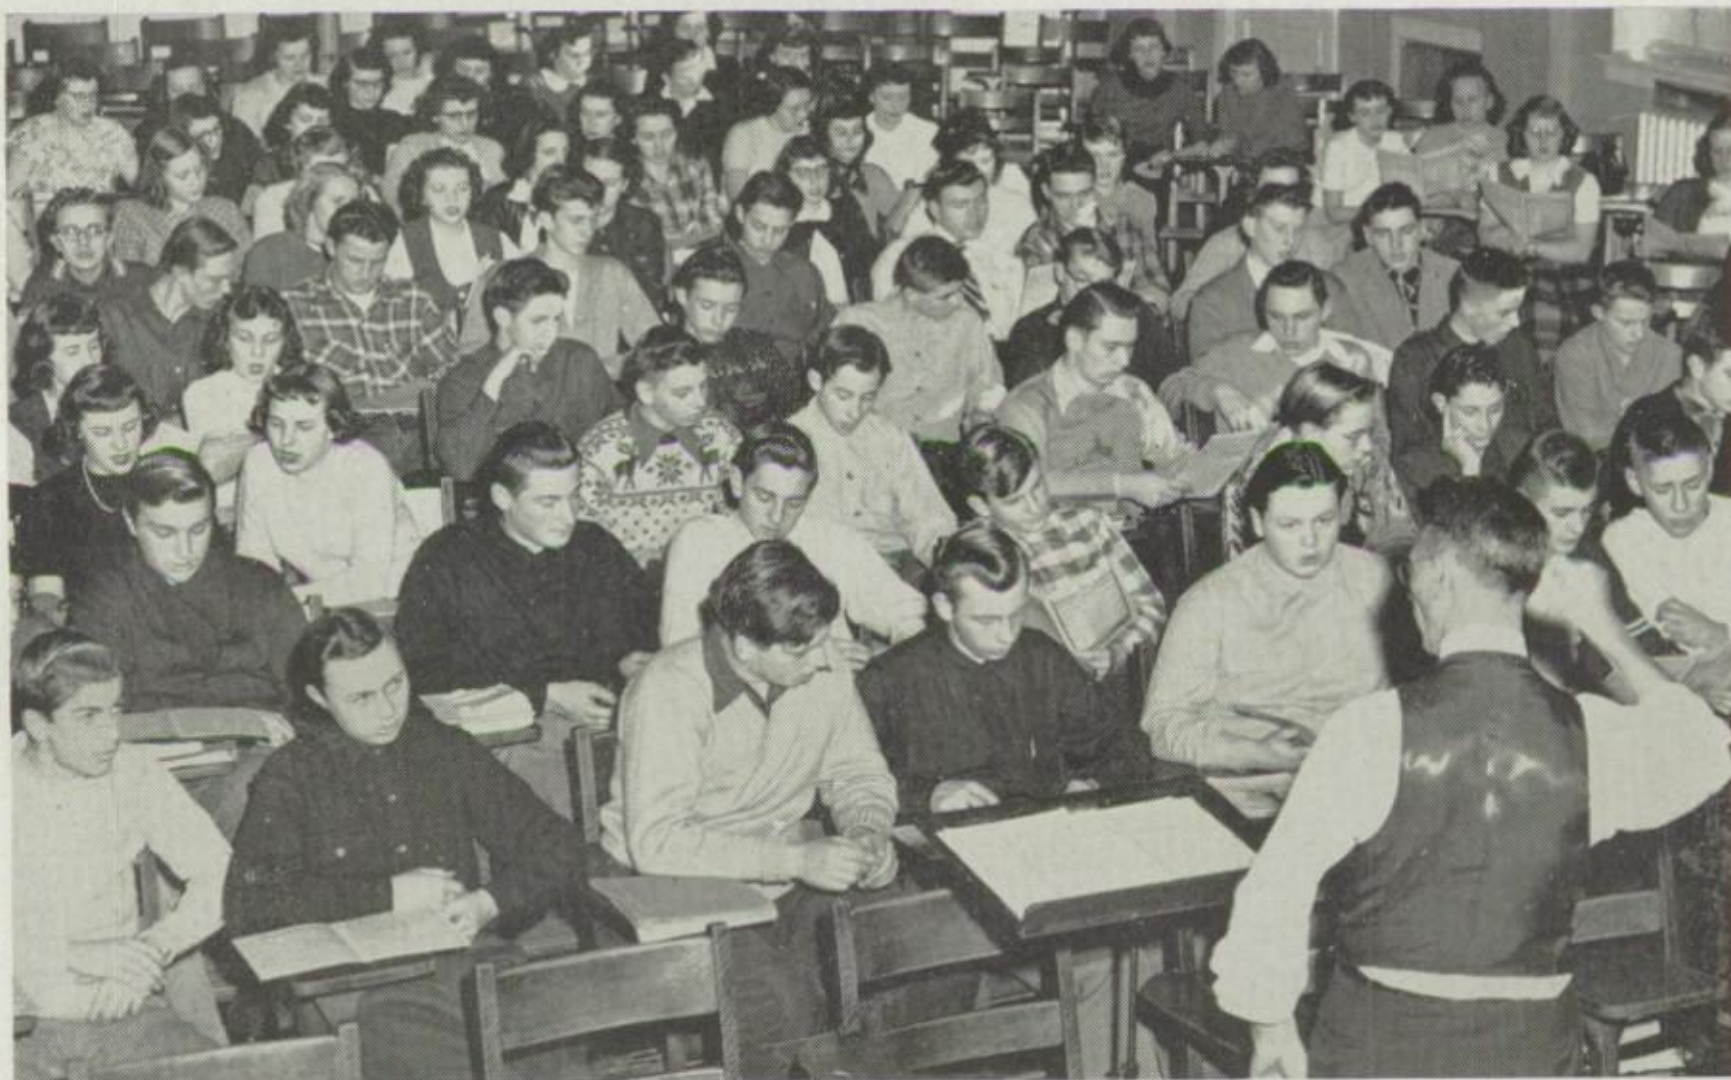

The band, which does its practicing in the barracks, gives out with a rousing march under the direction of Mr. Jungkuntz.

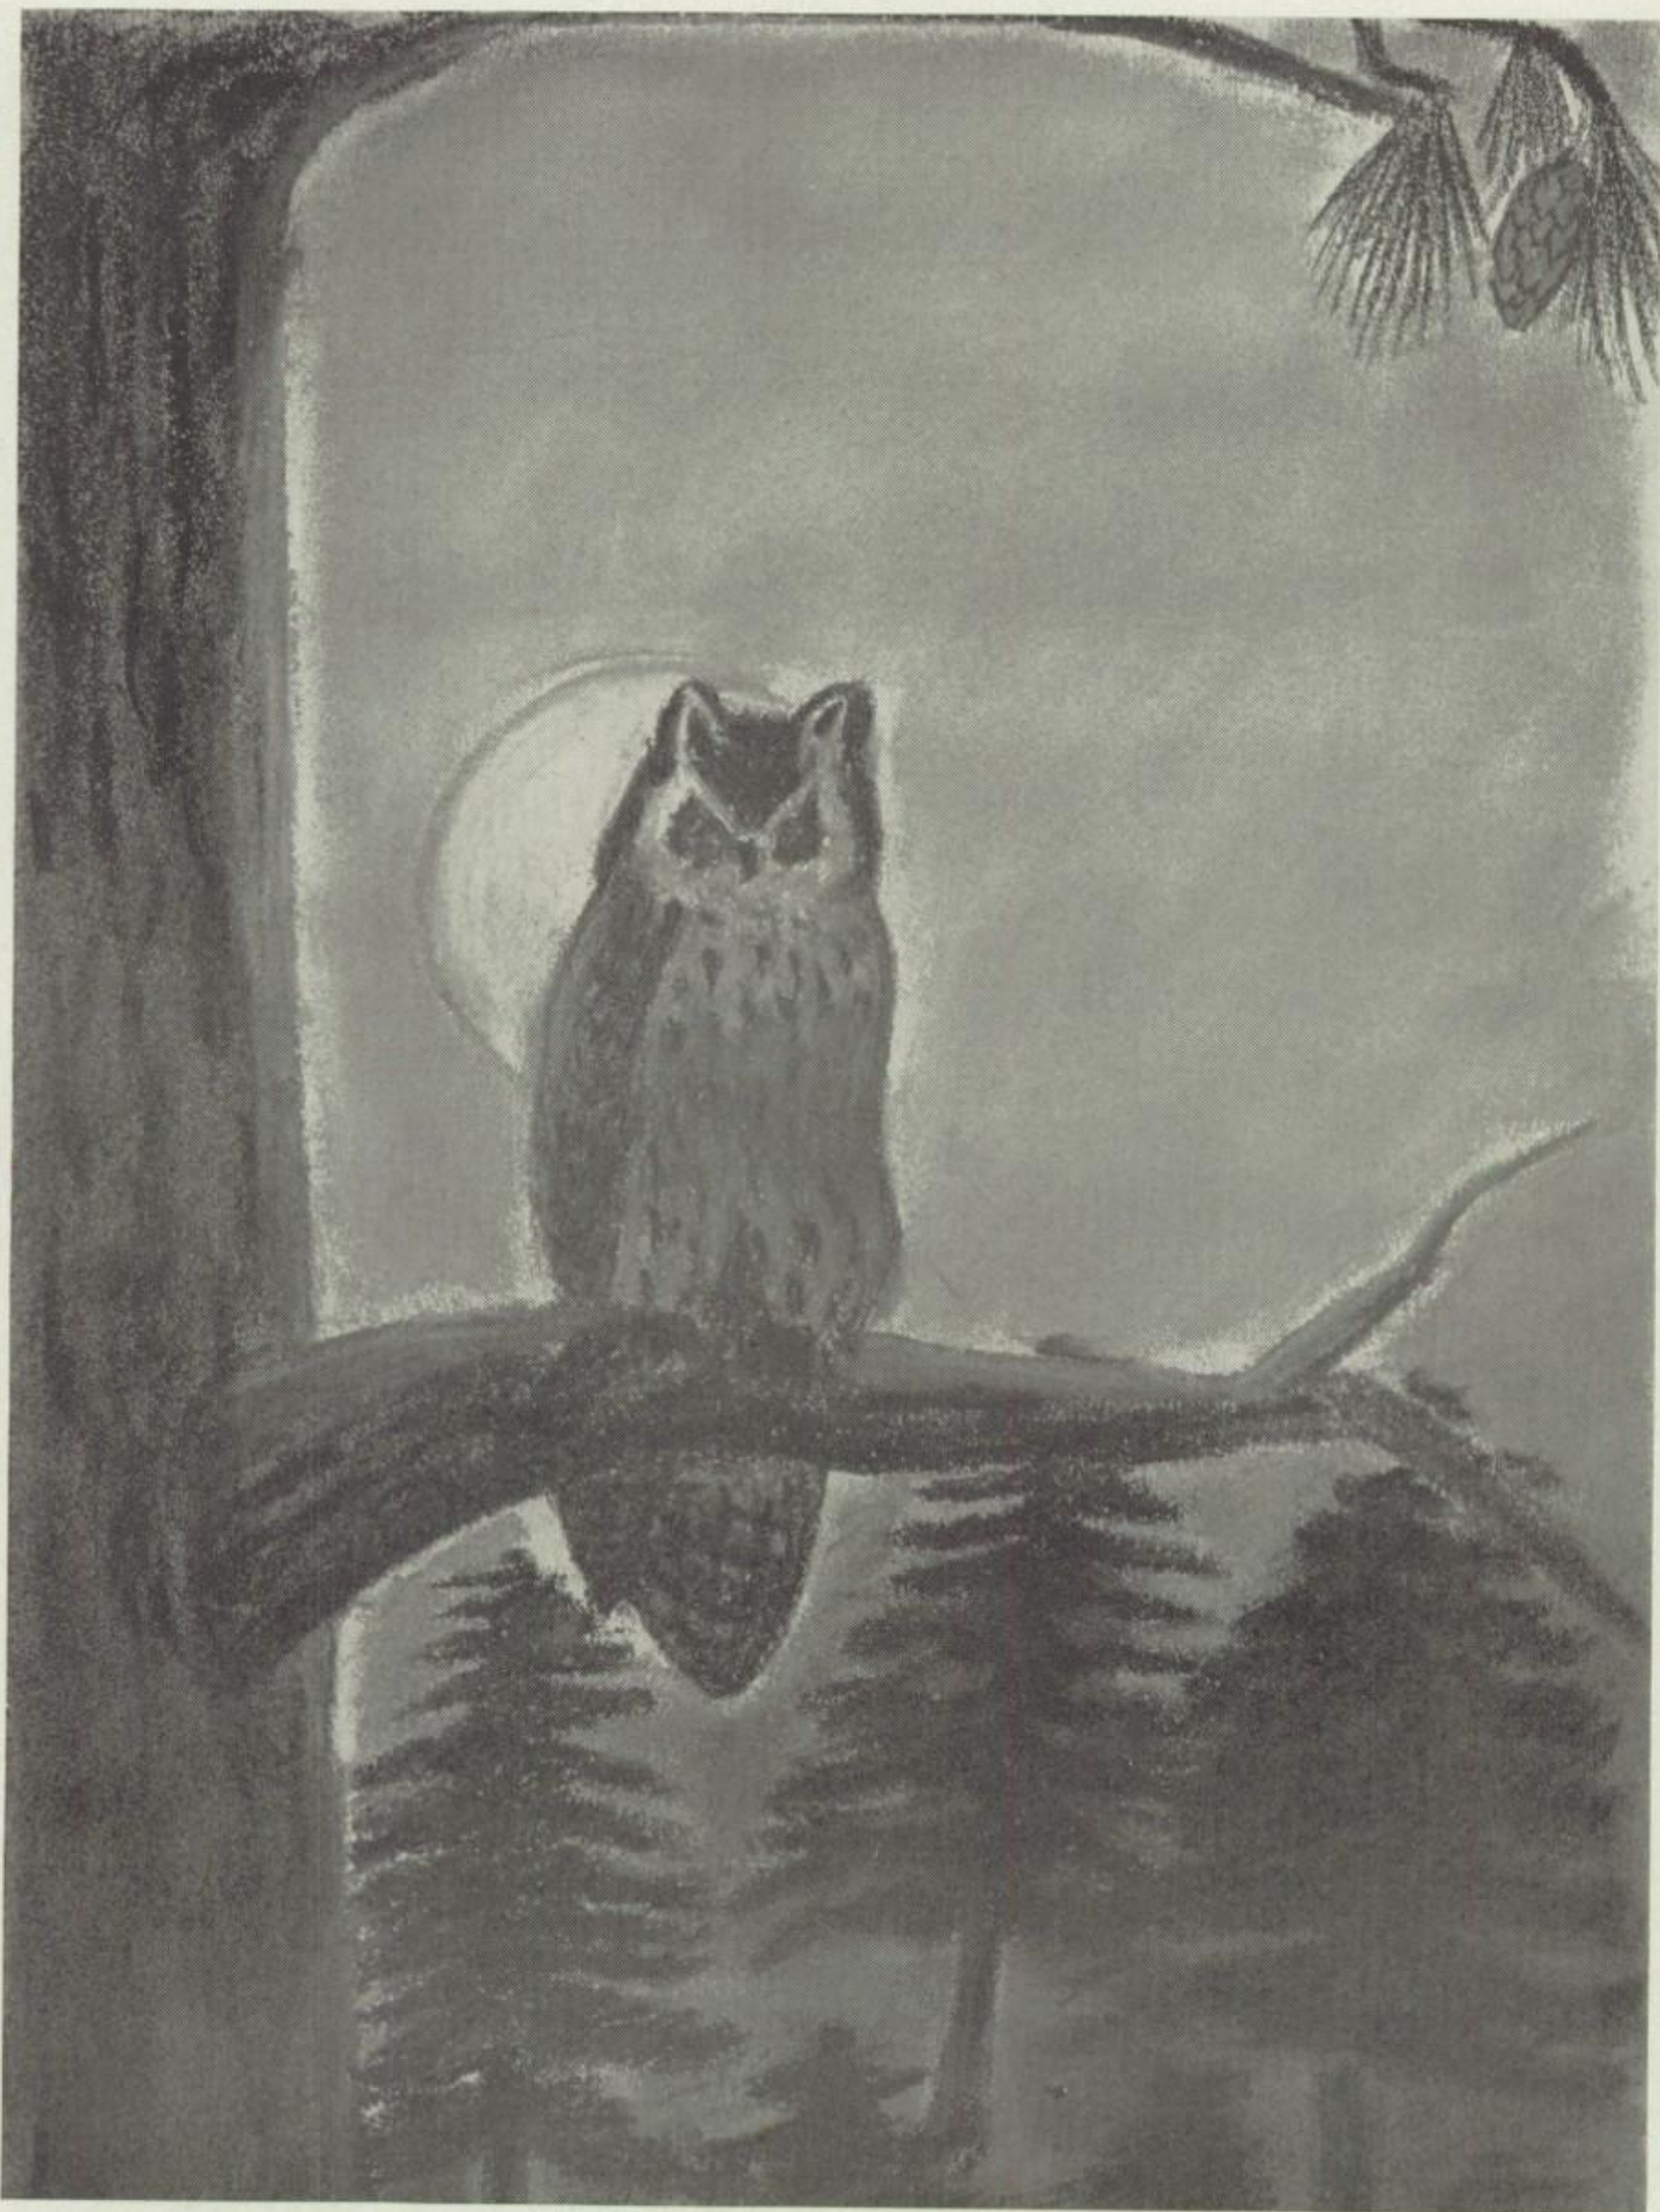

sing unto the Lord a new song

the Bible

Sacred music as well as some secular music is an important item in the L.H.S. curriculum. The popularity of this study is evidenced by the fact that we have two girls' and two mixed choruses. They practice throughout the year for our annual Christmas and Spring concerts. L.H.S. is also proud of its small chorus, a smaller group of singers, which sings at various churches many times during the year. The band, always ready to supply peppy music to our games and rallies, helps to enliven the spirits of our students.

"He Watching Over Israel" is what these chorus members, under the direction of Mr. Jungkuntz, are singing as they prepare for their annual Spring Concert.

OWLS' NEST

From the Principal

Dear Seniors:

Your graduation marks the climax of four years of steady achievement. All of us at Lutheran High rejoice with you over your success.

You are leaving your school to join the growing number of alumni. Now until the end of your lives, your honor, your success, and your attainments are inseparably associated with the honor, the success, the attainments of your alma mater. Graduation, therefore, is not a day of parting; rather, it is a day of renewed dedication. When you receive your diplomas you assume a high responsibility. You become ambassadors of Lutheran High, symbolizing her ideals, her beliefs, her loyalties.

As you pray and work for the further success of your alma mater may you keep the confession of St. Paul your confession: "For I am not ashamed of the Gospel of Christ: for it is the power of God unto salvation to every one that believeth." That is our parting prayer for you.

PLAYFELLOWS

Freshmen

Mr. A. J. Felten, class adviser, stops to chat with the freshman class officers: (left to right) Jo Anne Taddey, secretary-treasurer; Walter Bartelt, vice-president; and Richard Zinke, president.

To these new people . . . Greetings

The freshmen are the newest addition to our student "family" at Lutheran High. They have been kept busy adjusting themselves to the entirely new surroundings into which they entered last September. They have been kept busy making many new friends, among their fellow students and among the faculty. These they will keep for the rest of their high school life and possibly for many years after. Since they are so new here at Lutheran, their activities are not so numerous as those of their upper classmen. They do, however, elect their own

class president, secretary, and treasurer as the other classes do. They also have their own class parties. Their class adviser and the "Freshies' Friend," Mr. Felten, takes charge of all their activities and helps them to acquaint themselves with high school life. Many a bewildered "freshie" has been heard to ask such questions as, "Where is Room 4?" "Which one is the principal?" or "How do I open this locker?" This will all be forgotten very soon, and the class of '53 will take its place as one of the "regulars" at L.H.S.

Sophomores

Mr. E. A. Keibel, class adviser, has a short meeting with the sophomore class officers: (left to right) Stanley Jungck, president; Warner Stoddard, vice-president; Raymond Behnke, treasurer; and Carolyn Wunsch, secretary.

Old hands by now . . . Hi

The sophomores by this time are "old hands" at high school life. They are fairly well acquainted with the faculty, students, and the school. The sophs elect their class officers. In addition to the president, vice-president, secretary, and treasurer of the class, they have divisional officers in every English class. They also have an entertainment committee which, along with their adviser, Mr. E. Keibel, plans the class parties for the entire class. One of these parties was a hayride, held on January 29 in near-zero weather. About sixty brave sophs turned out for the hayride. Another party

(this time it will be indoors) is planned for spring.

The average soph carries more credits than any other student. This is their first taste of history; for three days a week they have ancient and medieval history. The sophomore year is the deciding year in the line of sports. Those who show promising qualities on the sophomore basketball team, usually become the stars on the varsity in their senior year. Naturally, they are looking forward to their junior year, when they will be next to the top.

 Donna Stannard

Junior class officers, (left to right) Tom Bretzmann, president; Donna Stannard, treasurer; Suzanne Degner, secretary; and Ronald Londre, vice-president, talk over class problems with their adviser, Mr. N. H. Kowert.

And to those next to the top . . . Success

For the average junior, this year is his most active. He is "in the groove" as far as school life is concerned. Soon he will be at the top of the student family.

The class is composed of 186 students. Like the other classes, the juniors elect their class president, vice-president, secretary, and treasurer. These officers with their adviser, Mr. Kowert, plan the class activities for the year. The juniors had one party this year at which they played musical games and ended with refreshments.

The day for which every junior anxiously waits is the day when he gets his class

ring. On this day, it is a very familiar sight to see the juniors proudly showing off their newest emblem of Lutheran High.

The Junior-Senior Farewell, an annual event, attended only by the juniors and seniors, is an important part of the juniors' school life. All planning for this party, including the menu and entertainment, is done by the juniors, and is given for the graduating seniors.

With the Junior-Senior Farewell and graduation in view, surely every junior is looking ahead to next year and his own graduation.

Mrs. Vohwinkle (right) prepares a hamburger as Mrs. Thiele dishes out soup in the cafeteria.

Mrs. Schoessow (left) and Mrs. Vahl begin their late afternoon work of cleaning the classrooms.

Mr. Johnson (right), custodian, tends the fire while his assistant, Mr. Riemer, shovels the coal.

Maintenance Staff

The cafeteria is an essential part of our life here at Lutheran High School. The chief cook and planner of the meals is Mrs. Thiele. Ably assisting her is Mrs. Vohwinkle who helps in preparing the food. They both work hard to serve the faculty and students.

One of the most familiar and friendly faces around us is that of Mr. Johnson, our janitor. He, together with Mr. Riemer, his assistant, and other helpers, attend to the school's maintenance. After school it is a familiar sight to see Mr. Riemer sweeping the floors. During the summer, when we can enjoy ourselves, they both are busy repairing school property and getting everything in order for next year. Mr. Johnson enjoys doing things for the students and always has a friendly word and smile for everyone.

CLASS SONG:

LET US EVER WALK WITH JESUS

Let us ever walk with Jesus,
Follow His example pure,
Flee the world, which would deceive us
And to sin our souls allure.
Ever in His footsteps treading,
Body here, yet soul above,
Full of faith and hope and love,
Let us do the Father's bidding.
Faithful Lord, abide with me;
Savior, lead, I follow thee.

Let us suffer here with Jesus,
To His image e'er conform;
Heaven's glory soon will please us,
Sunshine follow on the storm.
Tho' we sow in tears of sorrow,
We shall reap in heav'nly joy;
And the fears that now annoy
Shall be laughter on the morrow.
Christ, I suffer here with Thee;
There, oh, share Thy joy with me!

Let us also die with Jesus.
His death from the second death,
From our soul's destruction, frees us,
Quickens us with life's glad breath.
Let us mortify, while living,
Flesh and blood and die to sin;
And the grave that shuts us in
Shall but prove the gate to heaven.
Jesus, here I die to Thee
There to live eternally.

Let us gladly live with Jesus;
Since He's risen from the dead,
Death and grave must soon release us,
Jesus, Thou art now our Head,
We are truly Thine own members;
Where Thou livest, there live we.
Take and own us constantly,
Faithful Friend, as Thy dear brethren.
Jesus, here I live to Thee,
Also there eternally.

Guild Celebrates Twenty Years of Service to Lutheran High School

The senior class congratulates the Ladies' Guild on their twentieth anniversary, which they are celebrating this year. In these twenty years, the Ladies' Guild has given about \$6000 worth of equipment to the school. This year the Guild supplied us with a microprojector, and has added venetian blinds to our lunchroom. This has been in addition to the Expansion Fund, which will be given to the school when construction on the new school is begun.

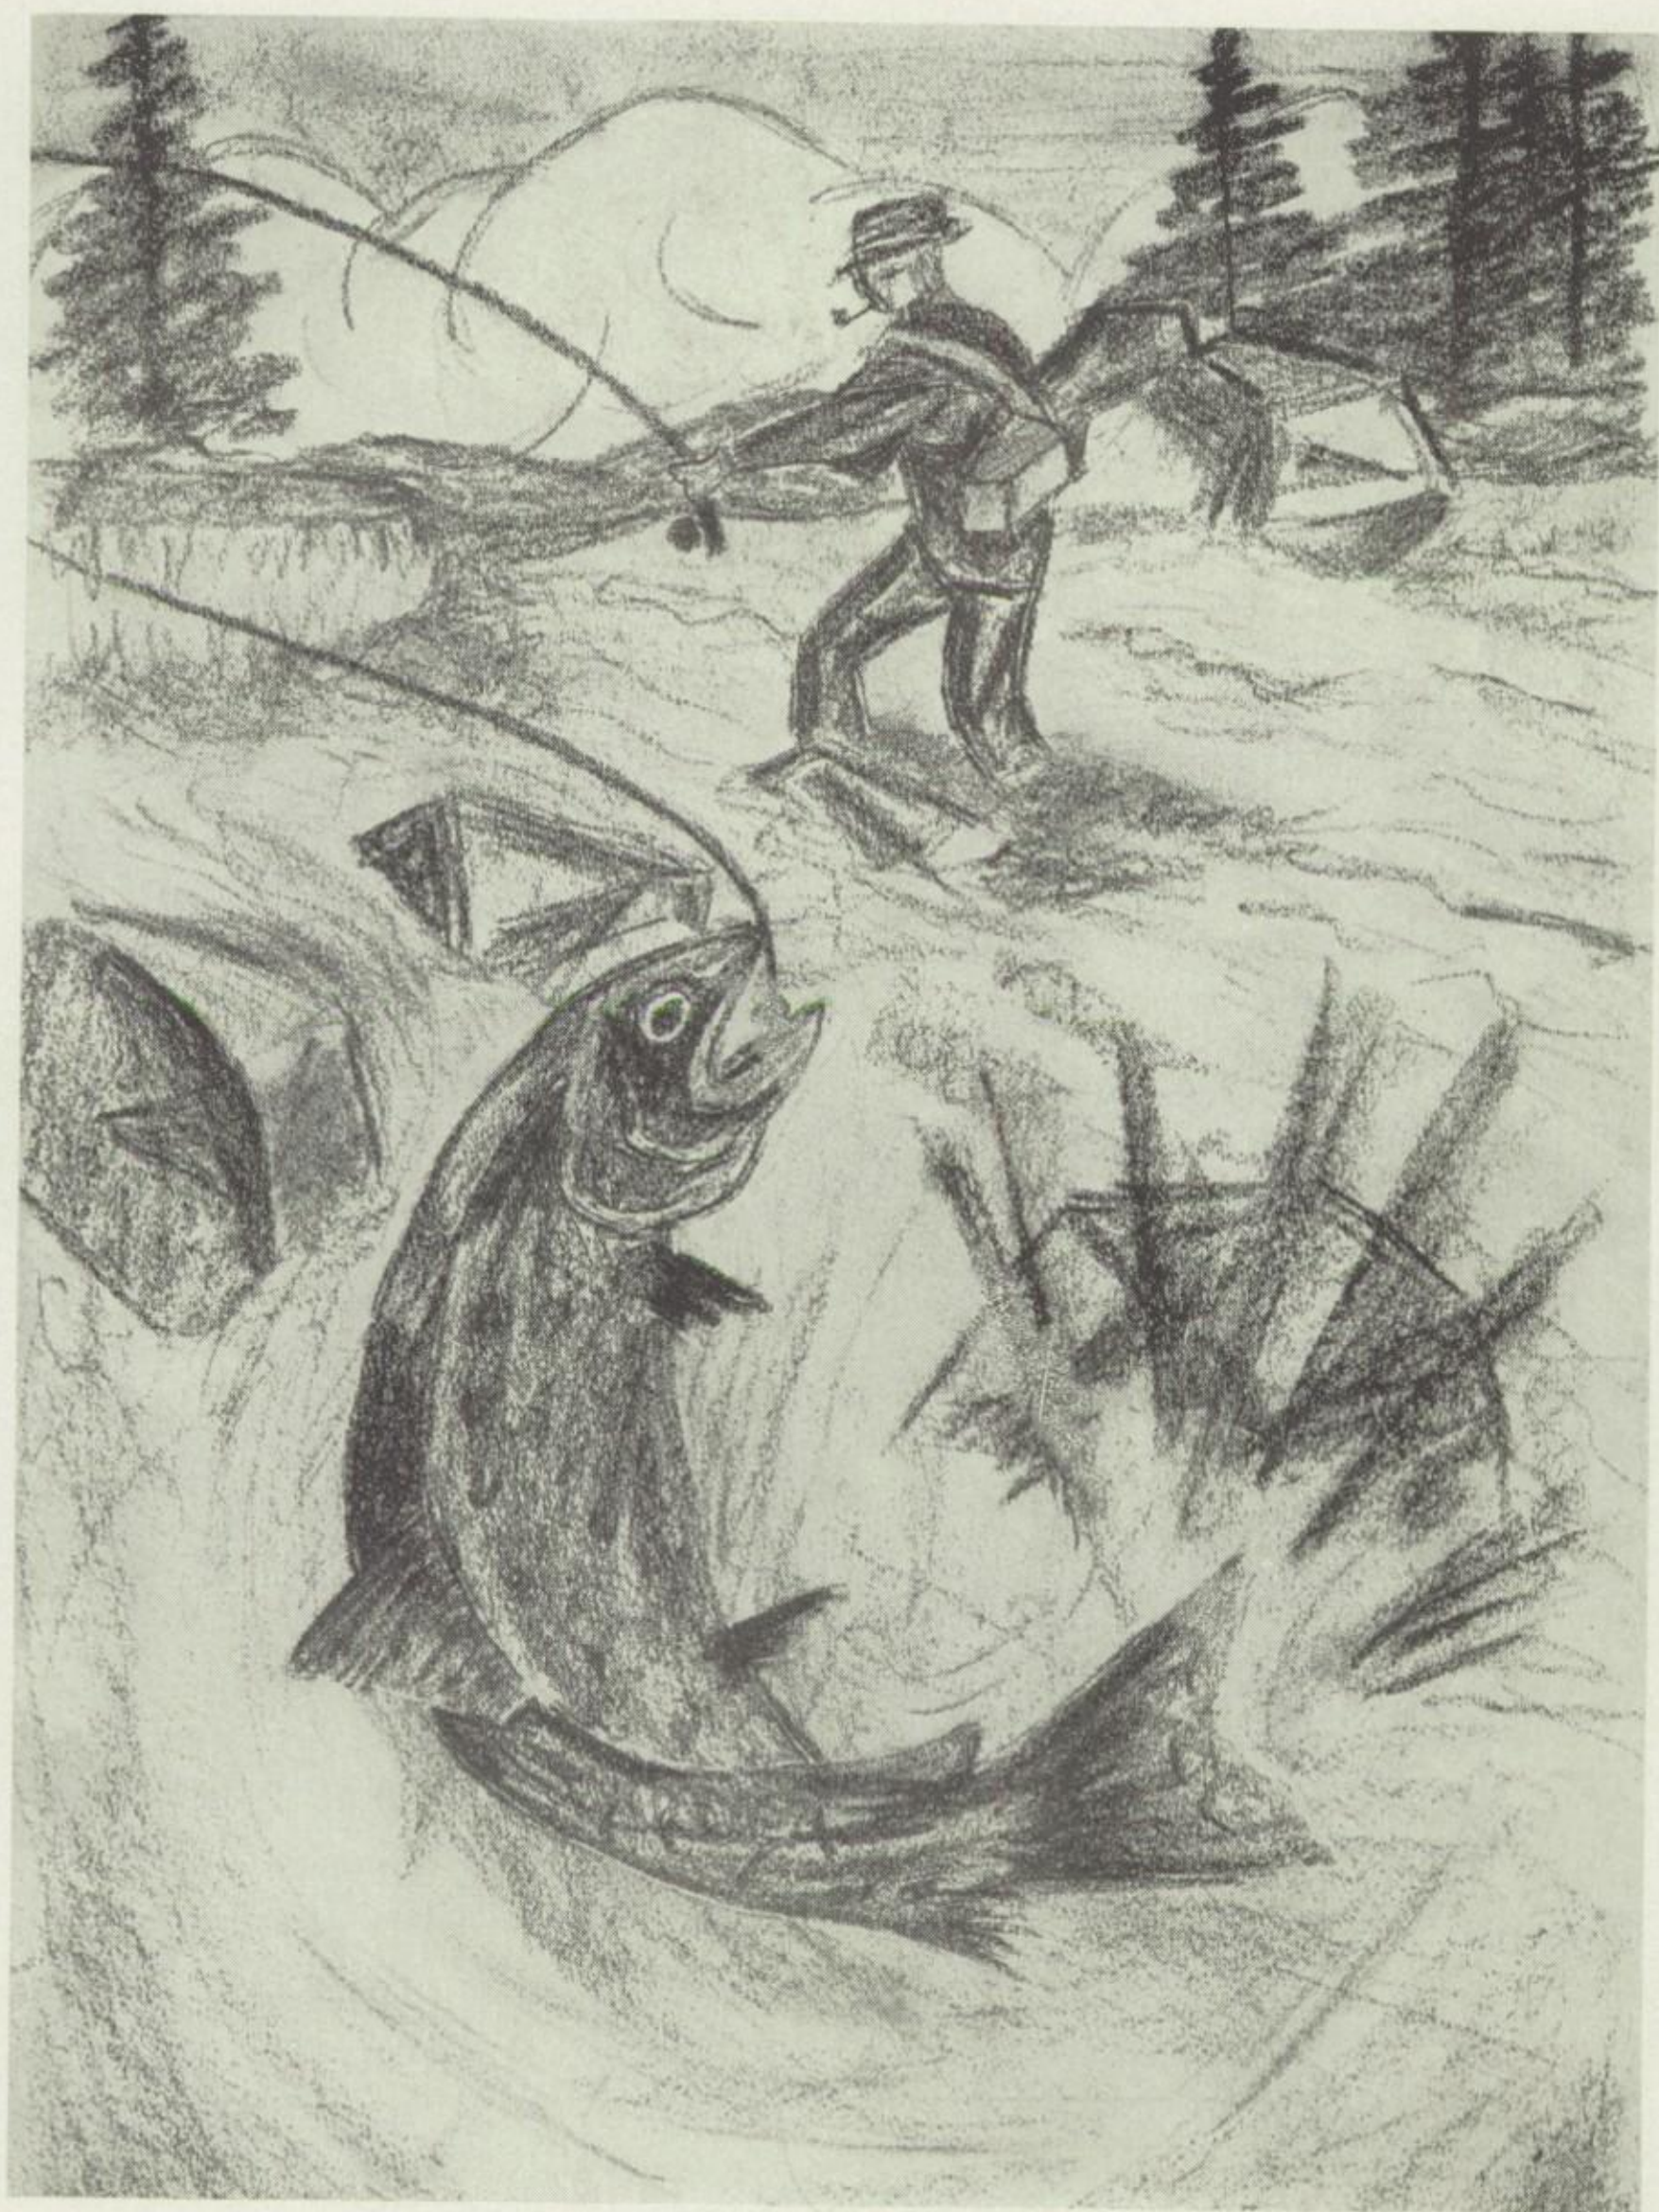

The guild, which has over 600 members,

meets the third Tuesday of every month to keep abreast of the developments at Lutheran High. The meeting place rotates among the churches of the conference. Their two main events each year are the Christmas party, held with the Student Council, and their anniversary dinner held each year on Easter Monday.

We thank God that the Ladies' Guild has taken such an interest in Lutheran High and pray that they may continue to keep the interest of our school at heart.

A crowd of over 500 guild members gathered in the school auditorium of St. Lucas church for the Ladies' Guild Christmas party on December 20.

'50 Aurora Records Lutheran High's Forty-Seventh Year

A meeting of the juniors was held in the spring of '49 by Mr. Bartsch, Aurora adviser, who explained that, though not everyone in the class could be chosen for the staff, the help of the entire class was needed for the success of the Aurora.

In the fall of our senior year, Lorraine Keske, editor-in-chief, called a staff meeting. The theme of our book was chosen, and topics of general nature were discussed. The first project of the senior class was the Aurora patron drive. Fred Schulz, business manager, with the assistance of all the seniors, made the drive a success. The actual production of the book now began. Lois Stuhr, layout editor, planned the layout of the book. Articles were composed and arranged under the direction of the copy editor, Rachel Rosenthal. The planning and taking of all pictures was supervised by Donna Suring, pictures editor.

May you get as much pleasure out of reading this 1950 Aurora as we, the staff, and entire senior class have had in bringing it to you.

Commentator Publishes News of School for Fifteenth Year

"The Commentator will be distributed during the lunch periods today." We were always glad to hear these familiar words from Director Eggold.

The Commentator, our school paper, is a monthly publication. It serves as a medium through which school news can reach students, parents, and friends of L.H.S. The staff is headed by Ralph Dorn, editor, under the competent adviser, Mr. A. J. Felten. The Commentator has done much to provide a fine school spirit, and the staff has done a splendid job of making the Commentator truly worth while reading.

Council Makes Effort Toward Increased Student Government

Great decisions come out of the confines of the small room in the corner of the basement at L.H.S. — the Student Council room. It's out of this room that the policies come which provide student leadership in all school functions, whenever it is needed. It is the aim of the Student Council to establish a student government at L.H.S.

The Student Council is made up of three seniors, three juniors, two sophomores, and two freshmen, elected by their class for a term of one year, and all the class presidents. These fourteen members issue, repair, and check all lockers. They organize ticket sales and publicize all sports events, concerts, and dramatic presentations. During the winter months they provide recreation in a game room; in the spring they move outdoors with softball, basketball, and volleyball.

This year's officers are Barbara Bruening, president; Marjorie Jesse, vice-president; and Howard Claussen, secretary-treasurer.

Thus you can see that the Student Council does much more than lounge in the Student Council room, as so many of the students seem to think.

"Here We Go Again" Climaxes Dramatic Club Activity for '50

Above: (L. to r.) C. Liedich, C. Froehlke, and E. Gaulke, club officers, plan for a special meeting. *Below:* Director Mrs. E. Janssen (left) gives helpful instructions to Fred Schulz and Noel Martens as Mr. R. Krause (right), club adviser, looks on.

On February 24, 25, and 26, the Lutheran High Players presented their ninth major play, "Here We Go Again," a great success, directed by Mrs. Janssen. It centered about Pigeon Parker, an imaginative teenage girl who tried putting her father into a tea shoppe, tried running her sister's love life, and who became infatuated with a college football captain.

A Christmas Pageant was presented in conjunction with the A Capella Choir. Three one-act plays were given in the spring and other plays and skits were presented at various churches and at club meetings. Fall tryouts were held by Mrs. Janssen and the officers to admit new members into the club. A point system was begun this year whereby each member was given a prearranged number of points for each activity in which he engaged. An award is given to all members who accumulate a specified number of points. Each month at a workshop meeting, Mrs. Janssen and other members of the club helped those who had assignments.

This year's officers are Carolyn Liedich, president; Elinor Gaulke, vice president; and Carol Froehlke, secretary.

Science Club Is Lutheran High School's Newest Organization

The Einsteins and Edisons of tomorrow are given opportunities for practical experience in the science club. This is the first year a general club with specialized chapters has been offered to students interested in the sciences. These are the general science, biology, and chemistry divisions, whose advisers are Mr. Zwintscher, Mr. Rock, and Mr. Stoll, respectively.

At the meetings of the whole club on the second Monday of each month, subjects of general interest are discussed, and business is transacted. The club was greatly benefited by their visits to the Safety Building and Marquette Medical School.

The general science section branched off into a beginners' chemistry group, which

meets on the Tuesday after the week in which the whole club meets. They have studied, produced, and experimented with oxygen.

The group interested in biology used the micro-projector, and did nature study work in the spring of the year.

The chemistry division meets on alternate Tuesdays and Wednesdays, except the week in which the entire club meets. Various group projects have been undertaken, such as experimentation with tough films on bubbles, and electro-plating.

The officers are Daryl Weishaar, chairman; William Riebe, vice-chairman; Charlotte Sieker, secretary; and Joan Pauchnik, treasurer.

Mr. Stoll demonstrates the distillation of alcohol for the chemistry-physics section.

Members of the biology section watch Mr. Rock as he assembles the micro-projector.

Biology section members admire the new micro-projector, a gift of the Ladies' Guild.

(L. to r.) D. Mann, O. Schenk, Mr. Gawrisch, Miss Tonn, and M. Musbach manage club activities.

Members try to guess the object Neal Kruse is drawing in the game, "Round is the moon . . ."

Atmosphere of Gemuetlichkeit Present at German Club Meetings

If you would walk down the corridors of Lutheran High School on a certain Wednesday evening once a month, you would most likely be able to hear the beautiful strains of "Fuchs, Du Hast Die Ganz Gestohlen" or some other familiar German song. The singing you would hear would be coming from the members of the Lutheran High School German Club.

The purpose of this club is to better acquaint the interested students with the customs of the German people. Besides singing German songs, the club very often sees movies, some of which are actually in Ger-

man dialogue. Games are also played and a lunch is served at each meeting in an atmosphere of "Gemuetlichkeit."

The German club's merriest time was had at the Christmas party held on December 21, 1949. All the members of the club enjoyed their evening of singing German Christmas carols, playing German games, and exchanging Christmas gifts.

The faculty advisers of this group are Miss Frieda Tonn and Mr. John Gawrisch. This year Donald Mann served as president, Marilyn Musbach as vice-president, and Otto Schenk as secretary-treasurer.

Gregg Club's Chief Event

Your manners are showing! That's just bit of friendly advice to the future office worker. The Gregg club functions in order to give the senior girls of the office practice classes a well-rounded background of correct office procedure and etiquette. They will thereby receive self-assurance which will aid them in their future positions as office workers.

The club is divided into sections, according to class periods. The second and third period class elected Phyllis Haug, president; Elaine Holtz, vice-president; Nancy

Oratorical Society Discusses Etiquette at Several Meetings

Have you noticed the fine manners of some students this year? It's not just that they studied Emily Post or were born to be the gentlemen and ladies they show themselves to be (?). They're members of the L.H.S. oratorical society.

The purpose of the club is to give students training in formal and conversational speaking. This year Mr. Pohl, the adviser, gave a series of interesting and helpful talks on manners in school, at home, and in society.

The oratorical society held a private speech contest this year with notable Mil-

waukee citizens as judges. Those whose speeches were judged best received money awards.

The members of the oratorical society were fortunate to have the chance to attend a court trial. It was the first time many of the students had witnessed anything like this, and therefore they enjoyed it greatly.

The activities of the club were begun in November, when officers were elected. Officers for this year are Grace Wunsch, president; Joan Wrensch, vice-president; and Dolores Wolff, secretary-treasurer.

History Club Tours Two of Chicago's Large Museums in November

The history club, limited to seniors only, is under the supervision of Mr. R. Kelling. Meetings are held on Monday evenings twice a month. At these meetings the members see movies, hold debates, and hear lectures.

This year the history club was privileged to hear a lecture given by Miss Quade, head of the education department at the Museum. They went on two field trips. A bus was chartered for the first trip, a trip to Chicago. There the members of the club visited the Museum of Science and Indus-

try, the Field Museum, and the Aquarium. The second trip was taken in spring. The members were given a chance to visit some of the historic spots in Wisconsin.

At Open House this year the history club constructed a colonial kitchen. Some of the girls dressed as colonial women and were seen doing various chores in the kitchen.

The officers for the year were: Robert Henning, president; Ralph Willing, vice-president; Doris Koschnitzke, secretary; and Marilyn Handrich, treasurer.

Mixed Chorus Is Largest Choral Group at Lutheran High School

What would Lutheran High School be without the chorus! This is by far the largest organization at the school.

The mixed chorus consists of junior and senior girls, and of boys from all four classes. It is divided into two groups, the eighth and ninth period choruses, which rehearse during their respective periods. The choruses are under the able direction of Mr. Jungkuntz, who patiently guides them through the rehearsals, held twice a week. The chorus is competently accompanied at the piano by Grace Wunsch during the

MR. JUNGKUNTZ

eighth period, and by Annette Hoge during the ninth period.

The annual Christmas Concert was held at the Milwaukee Auditorium on December 19, 1949, before a vast audience. In addition to the traditional carols were special arrangements of "Evening Prayer," "Silent Night," and "Beautiful Savior."

The spring concert was held at the Milwaukee Auditorium on May 11, 1950. Some of the selections were "He Watching Over Israel," "Sheep and Lambs May Safely Graze," and "This is My Country."

Girls' Chorus Plays Supporting Role in Choral Activities

The girls' chorus is divided into two sections, the eighth and ninth period groups. Composed of freshman and sophomore girls, the chorus rehearses twice a week under the direction of Mr. Paul Jungkuntz. The two years spent in this chorus are preparatory years for the mixed chorus. Accompanying the chorus at the piano are two students, Marian Wehe and Annette Hoge.

The chorus sang at both the Christmas and the spring concerts. Among the selections presented at the Christmas Concert,

held at the Milwaukee Auditorium on December 19, 1949, were "Shepherd's Christmas Song," "Break Forth, O Beauteous Heavenly Light," and "What Child Is This?" For several selections the girls' chorus combined with the mixed chorus. Selections presented at the spring concert which was held at the Auditorium on May 11, 1950, included "Lift Thine Eyes" from *The Elijah*, "He Shall Feed His Flock" from *The Messiah*, and Felix Mendelssohn's "On Wings of Music."

Band's Reputation Continues As That of Fine Organization

The Lutheran High School Band, under the skillful direction of Mr. Paul Jungkuntz, has made rapid progress in their practice sessions out in Room 15 of the barracks. Most of the agonizing "toots," "squeaks," and other discordant notes that threatened to make the barracks uninhabitable last fall have been coaxed and hammered into harmony by the baton of Mr. Jungkuntz.

The L.H.S. band was on hand February 24, 25, and 26 to favor the audience with several selections between the acts of the play "Here We Go Again." Another highlight of the band this year was their performance at Open House on March 20 and 21.

The members of the band attended and greatly enjoyed the Marine Band Concert at the Milwaukee Auditorium.

Pep Band Stirs School Spirit

The pep band, under the leadership of Daryl Weishaar, a senior, added a touch of class to the L.H.S. football and basketball games. A small group selected from the school band, the pep band's rousing marches added to the high blood pressure stimulated by several close games. The band made a trip to Country Day to play at the basketball game there on March 11, and the reception that they received was a fine tribute to their "pepability."

A Cappella Sings at Churches

The A Cappella, a special chorus at L.H.S., consists of about seventy voices under the direction of Mr. Jungkuntz. This group sings at different churches and for special occasions at the school. This year the chorus sang at the Ladies' Guild Christmas party, at the Christmas Pageant, at Open House, and at the Spring Concert. Annette Hoge served as accompanist. Some of the selections presented at these events were "The Love of God," "Send Out Thy Spirit," and "Hail, Gladdening Light."

Student Librarians Alternate in Library During Study Periods

The library staff, under the supervision of Mr. Knuth, is composed of students of all classes. They were selected by Mr. Knuth to work in the library during study periods, checking out books to students. They also must check the books in at the

end of the period. The librarians have charge of the recording and handling of all books taken out overnight or over week-ends. A small fee is collected for overdue books, at a rate of five cents per period, and is used to buy new books.

Secretaries' Assistants Give Part-Time Help in School Offices

During each period of the day, different student girls can be found working in the offices helping either Miss Donna Fischer or Miss Marjorie Sengbusch. The duties of these girls include typing, taking charge of

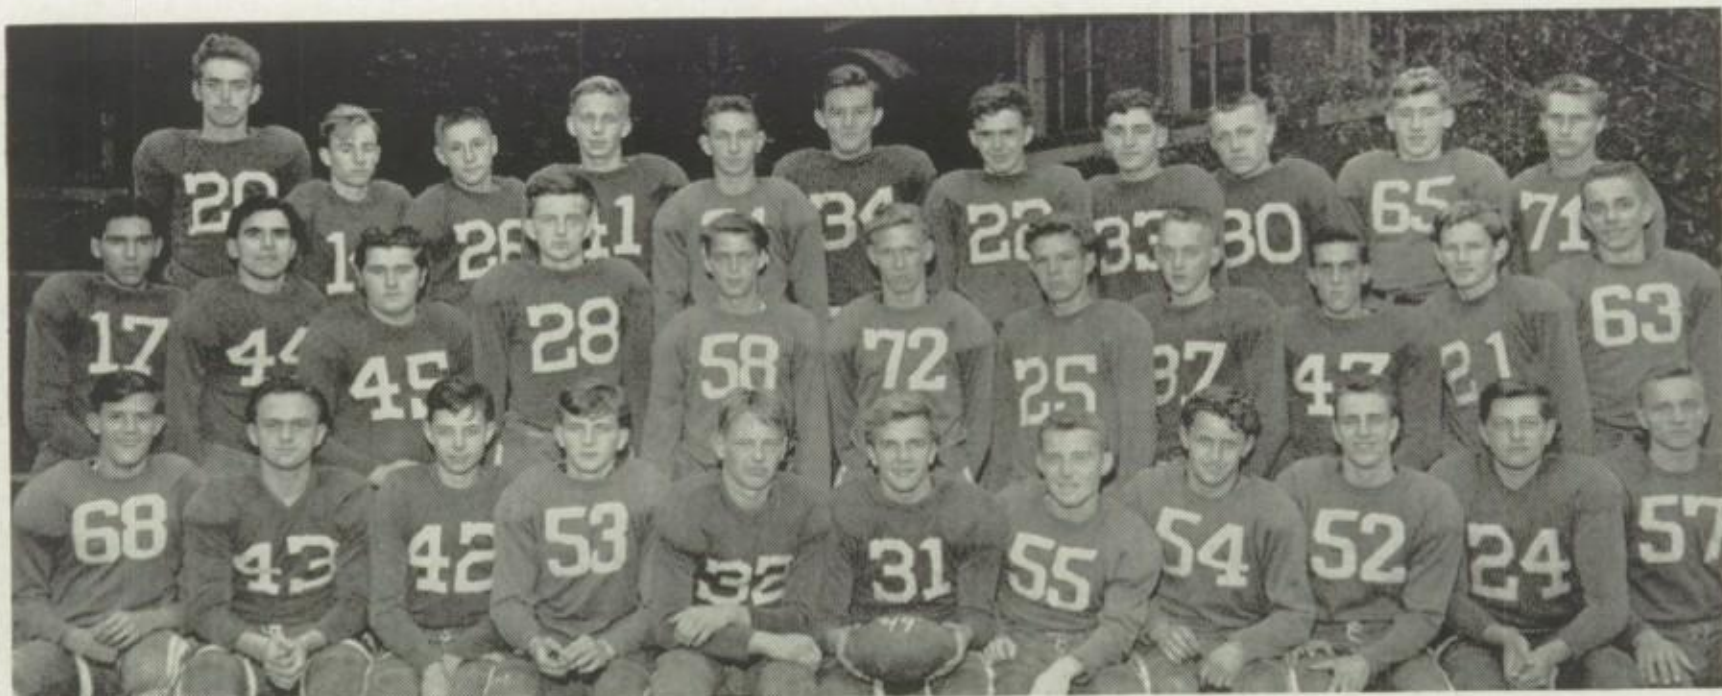

attendance records, writing out entrance slips for students who are tardy or who have been absent, making out permits for students who leave school early because of sickness, and writing out gym excuses.

Football Season Not Too Bright But Team's Spirit Remains High

"Hey, did you see Duke's shiner? We surely must have played a rough game Saturday." Anyone could have heard remarks similar to this pass among the students in the halls of Lutheran High on any Monday morning last fall.

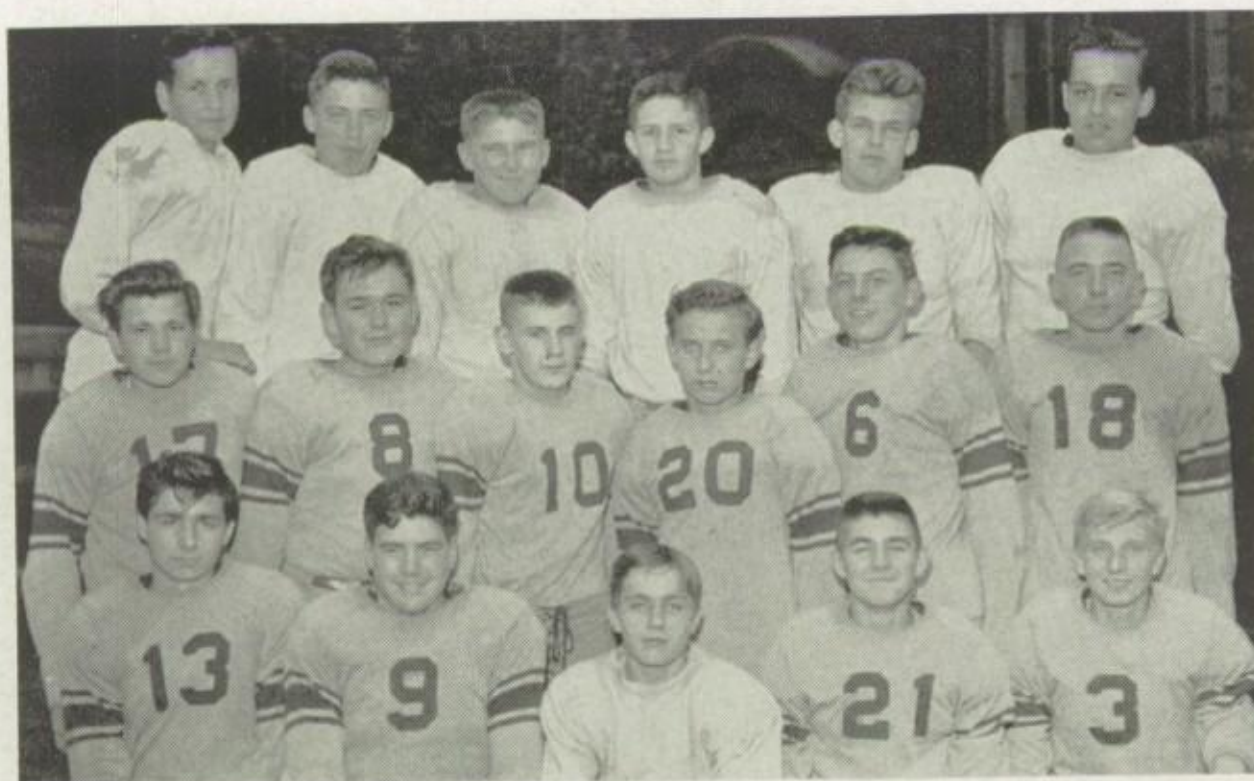

Though lacking experience and weakened by numerous injuries, the team remained undaunted and entered each game with the resolve to play their best.

The bright spot of the season was the homecoming game played against Luther

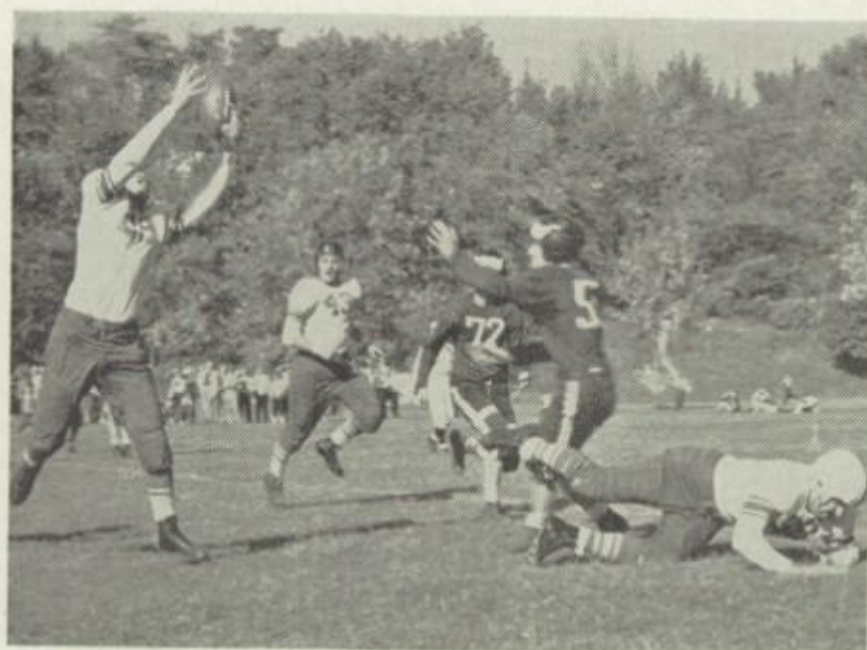

Institute of Chicago at Wauwatosa Field. Lutheran High emerged victorious from this game with a score of 25-0.

The season missed being spectacular, despite the excellent coaching of Pat Falk, Ed Haeger, and Mr. Sitz, and the great spirit of the team.

We all look forward to a brighter "next season" when the B squad will carry on for the graduating players, and will attempt to chalk up more wins than losses.

Knights' Hope for Championship Shattered by Loss to M. U. S.

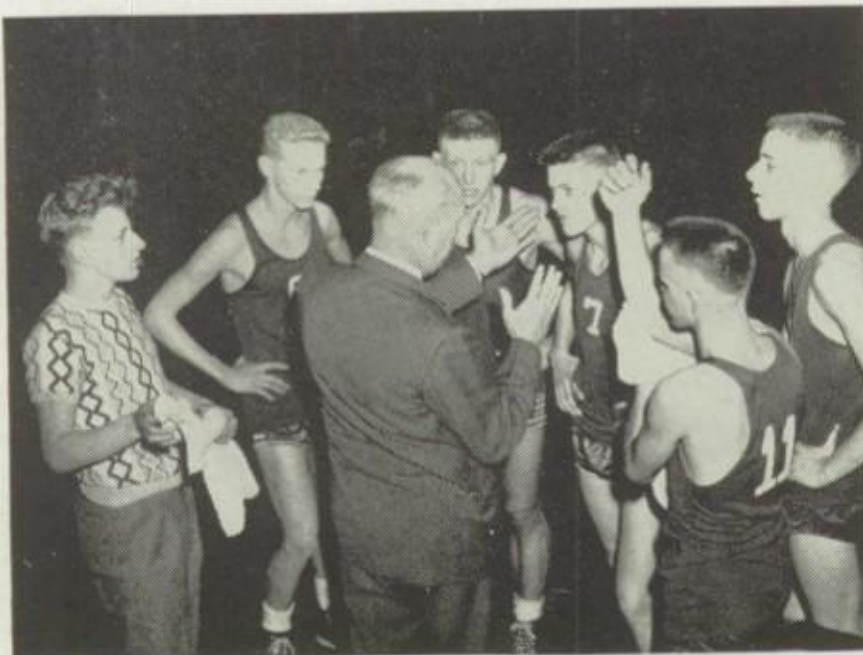

Fast, spirited play, and good ball handling marked this year's varsity. Their games were won by team play and the desire and will to win.

Relatively inexperienced at the start of the season, they quickly gained the "knack" of playing together as a team. After chalking up a win over a worthy Racine quintet,

they were tipped by Cudahy, anxious to avenge last year's loss.

For the teams they faced it was more than just another game; it was a chance to avenge previous defeats at the hands of Lutheran. They found this no easy matter. No team having once faced the Lutheran team would hesitate to admit that they were one of the "fightingest" teams ever turned out by Lutheran High.

During a time-out Coach Pat Falk (center) gives some pointers to the members of the team.

One of the most thrilling games, without a doubt, was the second Wayland game. In this game the Knights came from behind to tie the Wayland cagers at 41 all, and then lost in a thrilling overtime battle by one point.

The team made a good showing in the Wayland Invitational Tourney until they lost the final game by 5 points.

The Knights demonstrated their good sportsmanship in defeat as well as in victory. They finished the season tied with Country Day for second place, but in all of the games they lost, the issue was in doubt until the final gun.

B Team Puts Up Good Fight in Prelim Games

This year's "B" Team consisted of both sophs and juniors. This "second best" team gained both experience and knowledge of their future opponents during the year. The excellent record the "B" team has made in

the past year speaks for itself to describe their ability. The prelim games provided the necessary polish and experience they need to become the varsity men of the next basketball season.

Lutheran's Future Stars Play on Frosh Team

Our future varsity began to take form in the freshman team through the past season. The team shows promise of becoming a winning combination, and under the coaching of Ed Haeger they should mold into a

team that will proudly carry on the Lutheran tradition. With the experience gained this season, and with that ahead, our freshman team will soon be "on the ball" and on their way to becoming star players.

Cheerleaders' Vigor and Vitality Brighten School Spirit

"What d'ya say? Are you with us?" If any single phrase can signify the efforts of the cheerleaders, that is it.

This year's cheerleaders certainly worked hard to give a surge of life to any contest and to keep up the spirit at all games. They led the students in several rousing cheers at the pep rally held at the school in preparation for the homecoming game.

The squad of two fellows and ten girls is divided into the A and B squads, the seniors

comprising the A squad, and all others, the B squad. This year several new cheers were initiated. Among them were the "RAGG-MOPP," taken from a popular song, "The L, the L, the L.H.S." cheer, the "Is Everybody Happy?" cheer, and the Pep Song. Motions were also originated for our school song.

The entire student body, especially the varsity men, owes a vote of thanks to the cheerleaders for the marvelous school spirit they inspired in us all.

Tumbling — A Combination of Strenuous Routine and Enjoyment

To see a husky fellow limping down the corridors in the fall, moaning about an aching back, means that he is out for football. If a girl does the same thing, it means that she is a member of the tumbling class. That unfortunate lass probably missed the mat and landed on the floor.

Ray Semenske, an alumnus of L.H.S.,

teaches those enrolled in the tumbling class how to be graceful through acrobatics. The tumblers have a chance to demonstrate their skill at turning handsprings and forming pyramids at the annual gym open house at the Lutheran Center. Their exhibition this year was as interesting and enjoyable as always.

The girls do many stunts for the visitors at gym night.

Marcella Omann does an upside-down stunt on parallel bars.

Carla Mock (left) and Joanne Ballmann do the "flag."

Fine Pitching and Hitting Make Lutheran's Best Team in History

A powerful baseball team was assembled at Lutheran High School in the spring of 1949. This outstanding team racked up the most impressive record in the school's history of baseball. The team finished the season with a total of 17 wins and 2 losses. They were jinxed by West Division High School for both of their losses.

The team was bolstered by an excellent pitching staff composed for the most part

of H. Kuenn, R. Unke, A. Kaiser, and J. Propp. The hitting department was well taken care of by H. Kuenn, R. Unke, G. Bollmeier, R. Kussrow, R. Gesch, A. Nauertzt, and J. Hintz. All of these players succeeded in overstepping the .300 mark in hits.

At graduation, L.H.S. said goodbye to all of these men of the team plus J. Bretzmann and S. Barian.

MEMORY LANE

Getting Back in the Groove

Well, it's back to school again! As the leaves turn red, yellow, or brown, we mark the 12th of September as our "back to school" day. Opening services are held at Immanuel Church. With the beginning of this year, our new art course begins. The first few days are filled with confusion and excitement for all students. Many new and lasting friendships are made. Aurora staff meetings are held to discuss theme, dedication, and other important matters. Class group pictures are taken. Clubs begin anew with election of officers first on the agenda.

Sept. 12—The opening services at Immanuel are conducted by Mr. Eggold, our new principal.

Sept. 12—Our new "freshies" gather in the study hall to get acquainted with Lutheran High.

Sept. 13—The march back to school is on as students arrive to begin the 1949-50 school year.

Sept. 13—(Left) Hordes of students make their way to the book store, swamping it with sales.
Sept. 13—(Center) His arms stacked with books,

an ambitious "freshie" starts for his classes.
Sept. 23—(Right) Our friends, the shmoos, take the place of glamorous pin-up boys in lockers.

Homecoming Is Gala Affair

Pat Falk's football team brings to the students a spirit of unity and devotion to

L.H.S. early in October. The pep band and cheerleaders prepare a rousing pep rally preceding the homecoming game. The Commentator makes every effort to get out that first issue of the year.

Oct. 14—A float for the homecoming pep rally that afternoon is made ready by several seniors.

Oct. 15—(L. to r.) Joan Pankonin, Queen Phyllis Haug, and Lucille Fischer reign at homecoming.

Concert Ticket Sales Boosted

November is an important month for the juniors, for they are measured for their rings. The history club takes a trip to Chicago and visits many places of interest. Two drives conflict: one for basketball passes and one for Christmas Concert tickets. The freshman class holds its annual Parent Night. The seniors have to find financial aid, as their dues have to be paid by the 15th. During the Thanksgiving vacation, some of the Aurora staff members and their adviser go to Chicago to attend a National Scholastic Press Association Conference.

Nov. 1—Having their class ring measurements taken is a thrilling experience for the juniors.

Nov. 8—Posters and a clown work together to promote the sale of season basketball passes.

Nov. 10—Chorus members stream into Room 9 to be measured for robes for the Christmas concert.

Nov. 14—Movies, speeches, and musical talent round out the freshman parent night program.

Nov. 15—The entire Aurora staff gets together to discuss the progress of the patron drive.

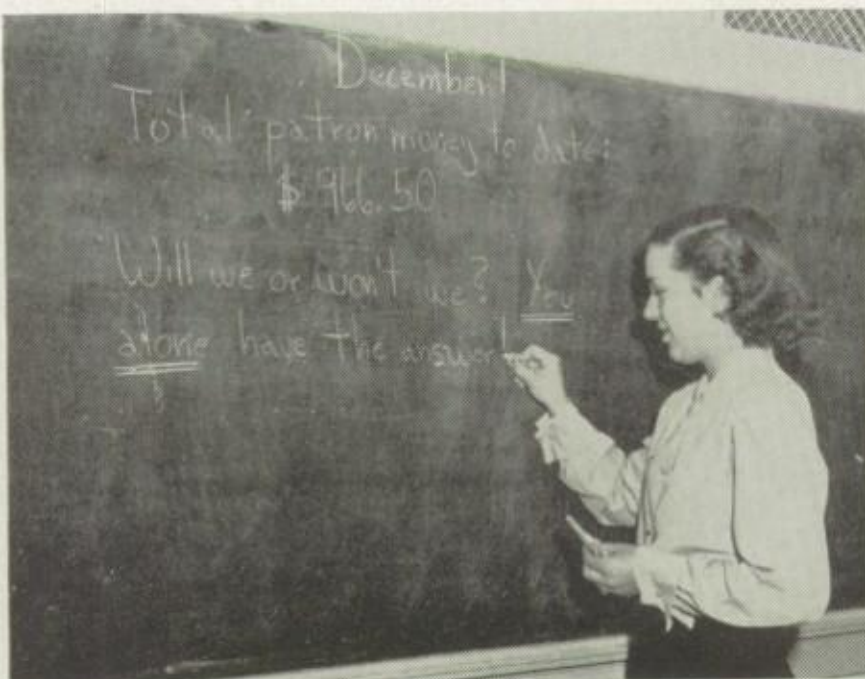

Nov. 18—The hall swells with cheers and snappy music on the morn of our first basketball game.

Month of Holiday Festivities

December is especially significant for us Christians, for at this time we commemorate the birthday of our Savior. To further enlighten and increase the true spirit of Christmas, L.H.S. presents its annual Christmas Concert on December 19, at the Milwaukee Auditorium. The Dramatic Club and A Capella Chorus presents a Christmas Pageant for the first time.

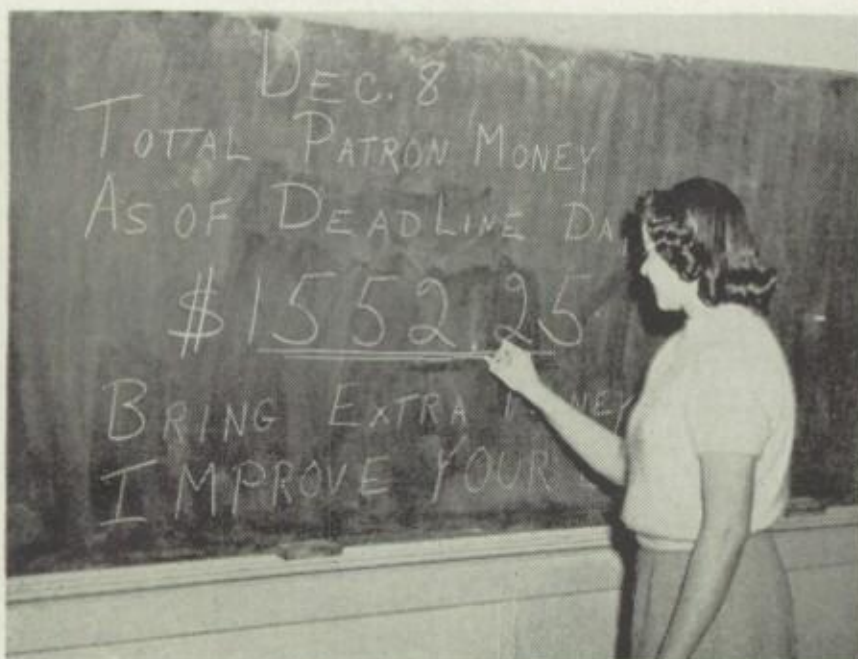

December 7 means Pearl Harbor Day, and for the seniors, the conclusion of the patron drive. Christmas parties bring the month to a happy close with everyone looking forward to the holiday vacation.

Dec. 1—Barbara Ebert posts her daily data on the seniors' patron drive in her history class.

Dec. 8—Students have chest x-rays taken while a mobile unit visits Lutheran High for two days.

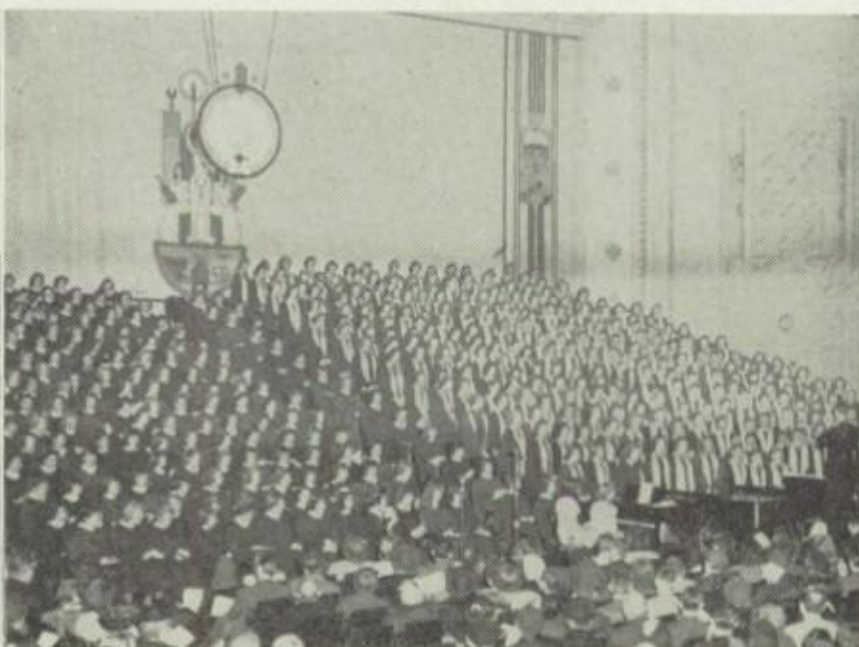

Dec. 8—Audrey Siewert chalks up the successful results of the seniors' patron money drive.

Dec. 10—Mr. Fenske and several senior girls make the scenery used for the Christmas pageant.

Dec. 16—Henry Kahl and Sally Janssen present a skit during lunch periods in the lunchroom.

Dec. 19—Our 500 voice chorus gives its annual Christmas concert at the Milwaukee Auditorium.

Dec. 22—B. Bruening gives an award to J. Haltnier, highest Christmas concert ticket seller.

Dec. 23—Mr. Krause gives the address, and Mr. Eggold reads the liturgy in Christmas devotion.

Dec. 23—Santa and his brownies join the gay festivities of a sewing class Christmas party.

Dec. 30—Aurora staff members busily cut and paste pictures to meet the January 1 deadline.

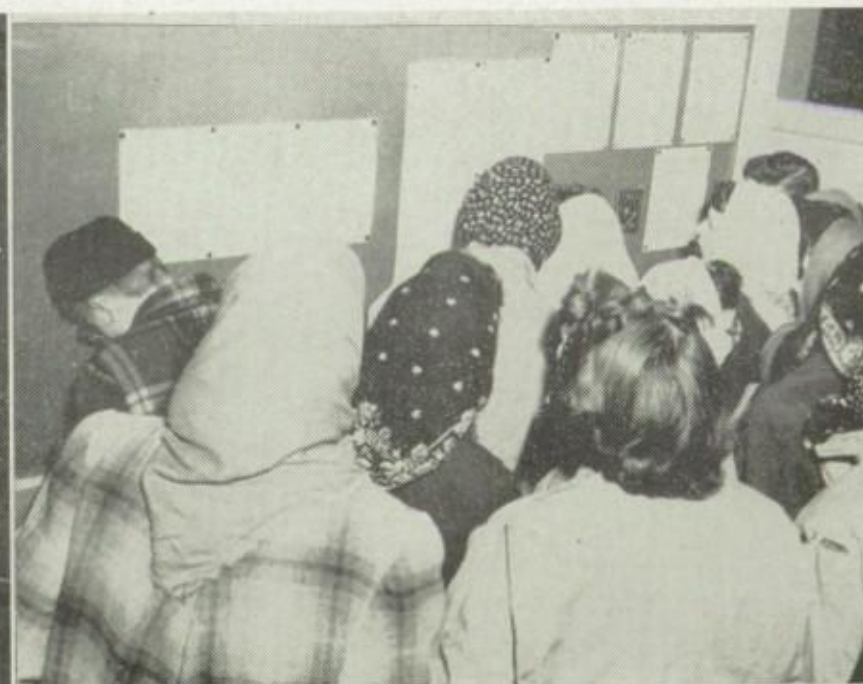

Jan. 3—Students get back into the daily routine after that wonderful Christmas vacation.

Exemptions — Something New

January ushers in our return from Christmas vacation and the beginning of a new year. The juniors have a party and the sophs enjoy themselves on a hayride. The seniors go to Brown Deer Park for a skating party. Some activity group pictures are taken for the Aurora. The fateful time of exams draws closer and finally is upon us. This year, however, there is a slight ease in the tedious days before exams, for all can look forward to those wonderful exemptions which are new to us at L.H.S. Not all the students are exempt, but they can dream, can't they?

Jan. 13—It is not unusual to see someone playing a game of checkers during lunch periods.

Jan. 19—Freshmen and sophomores scan a list of exam exemptions hoping to find their names.

Jan. 25—A typical first semester exam week scene is these students writing their econ final.

Jan. 31—Members of clubs and organizations trek to the Lutheran Center for picture-taking.

Play Highlights February

The big event of the dramatic club, the annual three-act play, takes place in February. The play, "Here We Go Again," is presented at the Lutheran Center on February 24, 25, and 26.

This month is especially exciting for the juniors, for at this time they are proudly displaying their class rings. As usual, the student council has so many articles in the lost and found department that an auction is held in Room 9. The walls and stage of L.H.S. are colorfully decorated. No, it isn't the circus in town, just the launching of the Aurora subscription drive.

Feb. 10—Carolyn Liedich reads the poster announcing the presentation of "Here We Go Again."

Feb. 28—A banner is posted to announce the start of the Aurora subscription drive on March 1.

Mar. 3—Mr. Ernst (right) and Mr. Johnson discuss coal shortage and probable school closing.

Fine Exhibits at Open House

March is an important and busy month for all members of the Aurora staff. The subscription drive is conducted and widely advertised. The artists are busy with signs telling of the drive. The copy writers have to work furiously to meet the deadline. The editors work hard and long to get everything arranged correctly and properly. Pictures are taken, which have to be cut and pasted. Our annual open house is held March 20-21. Exhibits of all kinds are made, and many demonstrations are given. Eighth graders and their parents are invited to attend.

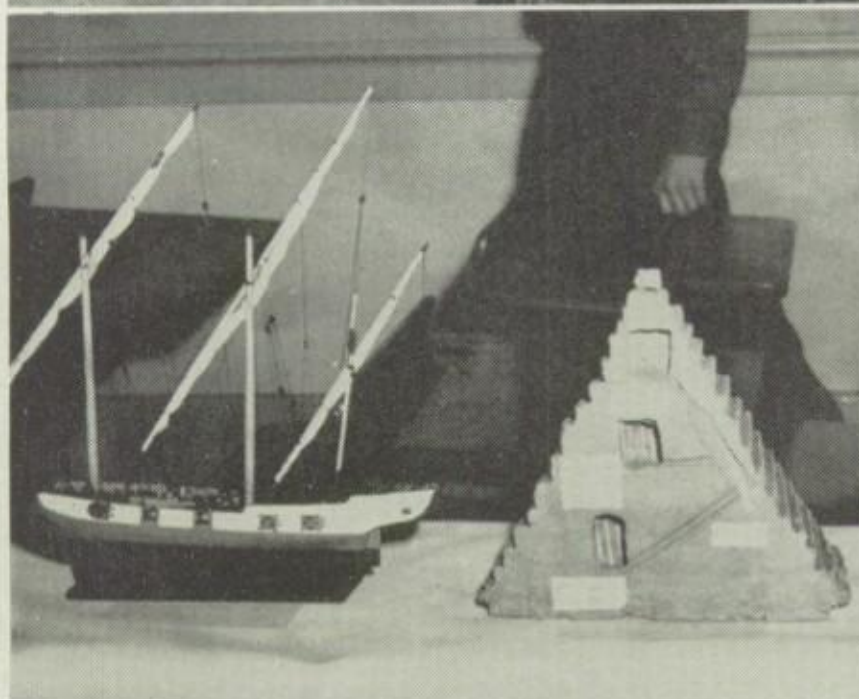

Mar. 10—A round-robin cheer goes up for the faculty at the faculty-varsity basketball game.

Mar. 20—Elinor Gaulke (left) and Lois Meyer sit in the Colonial Home Exhibit at Open House.

Mar. 20—Donna Wiese works on a pastel sketch of still life in the Open House art exhibit.

Mar. 20—This model ship and pyramid are among projects in the history display at Open House.

Mar. 20—One Open House visitor can't resist petting the bunny included in the biology exhibit.

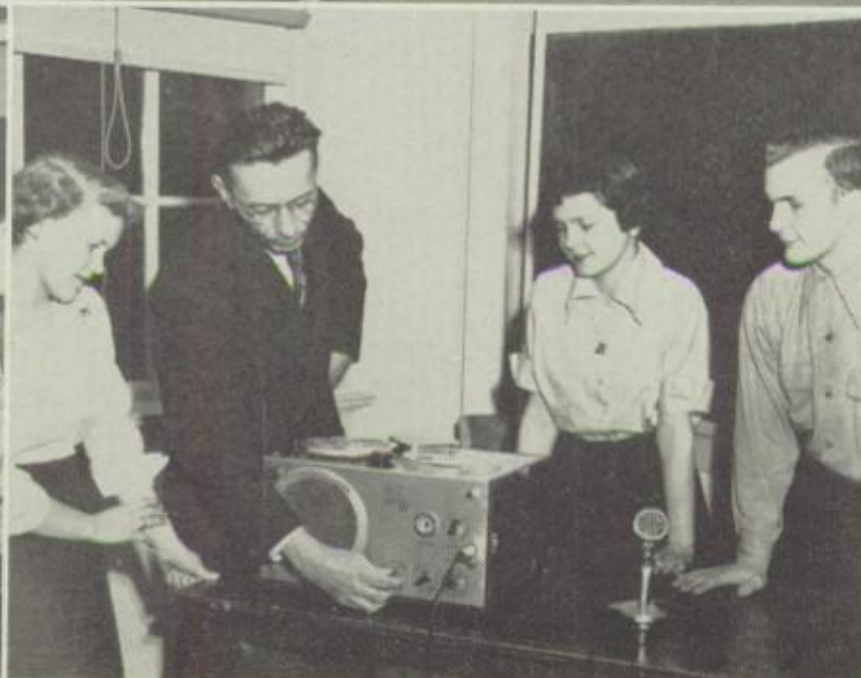

Mar. 21—Virginia Mabry and other sewing girls model at Zion School for the Ladies' Guild.

Mar. 22—Alda Manke (left) and Dorothy Kaiser pause to admire one another's short haircut.

Mar. 24—Mr. Ernst, registrar, calls in a group of sophomores to register them for next year.

Mar. 29—(L. to r.) S. Degner, Mr. Jungkuntz, C. Kimmel, and D. Backhaus admire new recorder.

Mar. 29—Spring fever seizes Thomas Reuter, but James Laitinen and Dorothy Klug are unaffected.

As This Book Goes to Press

Spring is the season for the many annual social events at L.H.S. Deserving athletes receive their letters at the Athletic Banquet in May. The Spring Concert is presented on May 11. Important to the two upper classes is the Junior-Senior Farewell held in June. For those seniors going on to college, these happy months are marred by term papers.

Of course, the climax of the year for the seniors is June 15. To the strains of Pomp and Circumstance, the blue-robed graduates solemnly walk down the aisle. Thus, for the class of '50, end the four wonderful years spent at Lutheran High School.

Hi,
Let's make it a point
to see each other again
this summer. Lots of
luck,
Marilyn
Spangenberg

Best of luck, happiness, and
success to a swell girl. Hope
I see you again after graduation.
Love, Barbara Bragg

Lots of good
luck to you
in the future.
Ralph Howard

Dear Elaine,
I hear about everything
to a swell kid. whom I
am glad I have had the
chance of meeting. It's been fun
being in your class.
Love,
Arlene K. Lemmon

Dear Elaine,
Thanks for putting up
with my complaining. Lots of
luck & success to you
Bob Hayes

Best of luck, Honey,
Your Dancer.

Dear Elaine
Good luck
success to a really
swell gal. We sure
had a hectic four
years. Hey what a swell
it sure was fun. See
you this summer —
Love
Bet Varguell

Good luck
success to a
swell senior
after graduation
to see you
again. Love
Dancer

Dear Elaine,
 Bay this was really one
 grand year! That 1st period
 sewing class was really
 a scream. All the hard work
 we did. Best of all were the
 long hot summer days that
 we spent in that dear old
 Milwaukee Hospital, those
 I will never forget. Be
 a good girl which I know
 you can't be and take
 it easy on all those bays.

Love,
 Marilyn Kimmel

Good Luck & Best Wishes
 to a very nice kid.
 Karl Siegel

Dear Elaine,
 Well kid, here we are at the end of one
 great year at S. H. S. It was a lot of fun having
 you back across from your kids this year.
 I'll go along with all the rest who have
 written in here and wish a lot of love,
 luck, and success to a pretty girl who
 deserves it. I hope to see a lot more of
 you after graduation! Be good!
 Love & Luck,
 Florence

Dear Elaine,
 Every time I write in a
 book I never know how
 to start. These four years
 have really been fun &
 now they have to come
 to an end. On graduation
 we'll all probably be
 weeping away. It sure
 was nice to have you
 kids across from us
 (lackers that is). I wish
 you all the best of
 everything - you deserve
 it. Hope to see you
 around. Love, Mary

My dear Elaine;
 all my love to my sweet little
 girlfriend whom I protected unceasingly
 I sure was a naughty little girl never
 letting you rest but just always asking
 you questions. I sure had fun though.
 You were the only one who picked me up
 when I fainted. Remember? I sure
 wish you would work at the Hospital
 again this year but I suppose I should
 wish that on anyone. I always liked
 you Elaine and I shall never ~~not~~
 cease to like you. I wish you all the
 success and happiness this world
 holds. One thing more, I have a funny
 hunch you know more about so and
 so that you tell me. Maybe someday you'll
 come across. I hope to see you sometime in
 the future. Please be good and write me sometime.
 I love you all Na Na!
 affectionately yours
 from the
 laughing girl
 who
 picked
 you
 up
 when
 you
 fainted
 Mary
